FILING INSTRUCTIONS:

WHAT TO FILE:

After completing all parts of this form, **including signing and dating it**, send back only the first sheet (pages 1 and 2) for filing.

If you have nothing to report in a particular section, you must write "none" or "n/a" in that section(s).

**NOTE:
 MULTIPLE FILING UNNECESSARY:**

Generally, a person who has filed Form 1 for a calendar or fiscal year is not required to file a second Form 1 for the same year. However, a candidate who previously filed Form 1 because of another public position must at least file a copy of his or her original Form 1 when qualifying.

WHERE TO FILE:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.)

State officers or specified state employees file with the Commission on Ethics, P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 3600 Maclay Boulevard, South, Suite 201, Tallahassee, FL 32312.

Candidates file this form together with their qualifying papers.

To determine what category your position falls under, see the "Who Must File" Instructions on page 3.

Facsimiles will not be accepted.

WHEN TO FILE:

Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates for publicly-elected local office must file at the same time they file their qualifying papers.

Thereafter, local officers/employees, state officers, and specified state employees are required to file by July 1st following each calendar year in which they hold their positions.

Finally, at the end of office or employment, each local officer/employee, state officer, and specified state employee is required to file a final disclosure form (Form 1F) within 60 days of leaving office or employment. However, filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if he or she was in their position on December 31, 2011.

Broward County Statement of Ethical Campaign Practices

The Broward County Ethical Campaign Practices Act shall apply to any candidate for elected public office whose constituency resides, in whole or in part, within Broward County, or when the boundaries of the public office sought are located, in whole or in part, within the County. "Candidate" means any person to whom any one or more of the following applies:

- (1) Any person who seeks to qualify for nomination or election by means of the petitioning process;
- (2) Any person who seeks to qualify for election as a write-in candidate;
- (3) Any person who receives contributions or makes expenditures, with a view to bringing about his or her nomination or election to, or retention in, public office;
- (4) Any person who appoints a treasurer and designates a primary depository; or
- (5) Any person who files qualification papers and subscribes to a candidate's oath as required by law.

A candidate's decision regarding whether to execute the statement is strictly voluntary. A candidate executing the Statement of Ethical Campaign Practices shall file the original and a copy of the executed statement, bearing the candidate's signature, with the officer before whom the candidate qualifies within five (5) days after becoming a candidate for the elected public office.

As a candidate for public office in Broward County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual, or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social, and economic problems. Therefore:

1. I shall not make my race, color, religion, gender, national origin, physical disability, or sexual orientation an issue in my campaign.
2. I shall not make my opponent's race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation an issue in my campaign.
3. I will condemn any appeal to prejudice based on race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation.
4. I shall not attack or question my opponent's patriotism.
5. I shall not publish, display, or circulate any anonymous campaign literature or political advertisement nor shall I tolerate or permit members of my campaign organization to engage in such activities.
6. I shall not tolerate nor permit members of my campaign organization to engage in activities designed to destroy or remove campaign materials or signs lawfully displayed on public or private property.
7. I shall not tolerate my supporters engaging in these activities which I condemn nor shall I accept their continued support if they engage in such activities. I will not permit any member of my campaign organization to engage in these activities and will immediately and publicly repudiate the support of any other individual or group which resorts to the methods and tactics that I hereby condemn.
8. I shall run a positive campaign emphasizing my qualifications for office and my positions on issues of public concerns and I will limit my attacks on an opponent to legitimate challenges to that person's record, qualifications, and positions.
9. I will neither use nor permit the use of malicious untruths or innuendoes about an opponent's personal life, nor will I make or condone unfounded accusations discrediting an opponent's credibility.
10. I will not use or permit the use of campaign material that falsifies, distorts, or misrepresents facts.
