

# — Toilet Installation and Rebate Workshop —

**Learn How to Save Water, Save Money AND Install Your Own Toilet!**

The Broward Water Partnership, which includes the County and 17 municipalities and water utilities, is saving 30 million gallons of water. In an effort to reach our goal, we've teamed up with local Home Depots to host toilet installation workshops.

As you learn the quick and easy steps to install a toilet, you'll also learn how you can save water AND money with rebates!

Join us at these free workshops as we teach your community the simple installation steps and the importance of water conservation at the following Home Depot locations on:

**Saturday, March 17 from 11 a.m. to 1 p.m. • 2300 South University Drive, Davie, FL 33331**

**Saturday, April 7 from 11 a.m. to 1 p.m. • 2300 South University Drive, Davie, FL 33331**

**The workshop is open to the public. We look forward to seeing you there!**

To apply for a rebate at the workshop, please bring your utility account number. You'll also need to know how many gallons of water per flush the toilet(s) you are replacing uses.

To qualify for rebates on WaterSense® certified High-Efficiency Toilets that use 1.28 gallons per flush or less, you must reside in one of the following municipalities:

City of Coconut Creek

City of Fort Lauderdale

City of Pembroke Pines

City of Coral Springs

City of Hallendale Beach

City of Plantation

City of Dania Beach

Town of Hillsboro Beach

City of Sunrise

Town of Davie

City of Lauderhill

City of Deerfield Beach

City of Margate

Funding is limited, so hurry while supplies last.

To be eligible for a rebate, you **must apply and be pre-approved before** purchasing your toilets or you will not be reimbursed. You also must be replacing a toilet(s) that uses more than 1.6 gallons per flush with a WaterSense® certified High-Efficiency Toilet(s) that uses 1.28 gallons per flush or less. WaterSense® certified Dual Flush Toilets must also use under 1.28 gallons per flush for both flush options. Single-family, townhouse and condo owners who reside in the home at which they are replacing the toilet(s) may receive up to (2) two rebates of up to \$100 each, or the cost of the toilet, whichever is less. Property owners, and property managers who are authorized by property owners, of multi-family housing units, not-for-profit agencies, commercial buildings and institutional facilities may receive up to five (5) rebates of up to \$100 each, or the cost of the toilet, whichever is less. Or may submit a request to receive additional rebates.
