P. 954-746-3400 F. 954-746-3455

	<p>1. Overtime inspections actual cost Fire Chief approval required Two hour minimum Eligible overtime inspection is defined as mandatory, sequential inspection of permitted construction, pursuant to the applicable City of Sunrise Fire Inspection Fee, performed at times not within the normal city business workday. An eligible overtime inspection shall include, but not be limited to: final inspections necessary to issue certificates of occupancy for scheduled property closings, de-energization of power or life safety systems for power sourcing or testing, smoke evacuation system testing, or critical stages of construction that may jeopardize building integrity and passive fire protection. Eligibility and availability for overtime inspections shall be determined by the fire life safety division chief. Eligible overtime inspections shall be prepaid, the deposit held in escrow. The actual cost will be deducted from the balance when the inspection has been completed. Actual cost is defined as the salary and related fringe benefits for the inspector, as well as the standard mileage rate as defined by the Internal Revenue Service for business miles driven. Any remaining balance shall be refunded to the contractor upon the issuance of the certificate of occupancy.</p>
