Edward Byrne Memorial Justice Assistance Grant Program FY 2014 Local Solicitation

Summary:

The Sunrise Police Department recommends the utilization of \$21,182.00 worth of grant funding to support law enforcement activities through the use of overtime for community oriented policing operations.

Project Narrative:

The Sunrise Police Department is a state accredited law enforcement agency tasked with the responsibility to protect life and property, prevent crime, respond to calls for service, and enforce city ordinances and state laws. In addition, the Sunrise Police Department promotes citizen communication and involvement via a variety of community-based policing initiatives. Currently, the department is organizationally structured into three major Divisions (Uniform, Criminal Investigations, and Administration) and is allocated for 182 sworn police officer positions.

The Sunrise Police Department's recommendation is to fund law enforcement support through the use of overtime for community oriented policing operations. The Department plans to use overtime funding from this grant to create partnerships and address neighborhood problems through the use of statistical analysis and our Department's S.A.R.A (Scanning, Analysis, Response and Assessment) problem solving model. Since 1998, the Sunrise Police Department has utilized funding awarded from Block Grants to subsidize expenses related to community policing activities.

ANYONE WITH QUESTIONS OR COMMENTS CONCERNING THE PLANNED EXPENDITURE OF THESE GRANT FUNDS, PLEASE CALL SGT. BROOKE LABEL AT (954) 746-3391.
