

SUNRISE & YOU PARTNERS IN PLAY

On Election Day – **November 4, 2014** – there will be a local bond referendum on the ballot: Sunrise voters will have the opportunity to consider approving up to \$65 million in general obligation (GO) bonds to help meet residents' changing recreation needs.

If the referendum passes, the bonds would fund significant improvements to Sunrise parks and recreation facilities – improvements designed to benefit people and neighborhoods across the City. With bond funding, Sunrise hopes to:

- 1 Expand the **Senior Center** to accommodate new and enhanced programming.
- 2 Renovate **City Park** to provide multi-use green space, new recreation amenities, and indoor program areas.
- 3 Expand **Welleby Park** to add a dog park, a "Safety Town" play-learn area and a lakeside boardwalk.
- 4 Renovate **Flamingo Park** to add indoor meeting and program space, shaded basketball courts, fitness stations, and a second batting cage.
- 5 Improve **Nob Hill Soccer Club** by creating a shared-use playground for **Nob Hill Elementary** (school hours) and neighborhood families (after school and weekends), creating a tot lot for young children, and boosting soccer usage by transitioning two fields to synthetic turf.
- 6 Partner with **Horizon Elementary** and **Bair Middle** to create a playground and athletic amenities for school and neighborhood use.
- 7 Improve **Roarke Hall** facilities.
- 8 Convert a small **12th Street** right-of-way into a usable neighborhood green space.
- 9 Expand the **Civic Center** to provide additional basketball courts, fitness amenities and program space. Campus improvements may also include a new, shaded playground, and Amphitheater upgrades.
- 10 Renovate and expand **Oscar Wind Park** to include a multi-purpose building and gymnasium, a new playground, and dedicated parking.
- 11 Convert vacant and underutilized land – including parcels at **9525 West Oakland Park Blvd.**, and **Sunset Strip/109th Avenue** – to attractive green space.
- 12 Expand the **44th Street Park** to nearly 17 acres to allow for the construction of walking trails, pavilions and a nature center.
- 13 Acquire land at **Commercial Boulevard/Nob Hill Road** and adjacent to **Sunrise Athletic Complex (SAC)** to construct new athletic fields and related amenities.
- 14 Make yet-to-be determined improvements to existing neighborhood parks.
- 15 Site of future park/recreation amenity.
- 16 Passive park scheduled to open Summer 2015.

We'll also explore opportunities to create a **Water Park** and construct a **Performing Arts Center**.
