

Can Broward's PACE Program Help Improve Your Home or Business?

Join us for an informational workshop on the **Property Assessed Clean Energy (PACE)** finance program. PACE allows property owners to receive up-front financing for qualifying improvements such as windows and roofing, insulation, air conditioning and other energy efficiency upgrades. This innovative program allows for repayment through a non-ad valorem special assessment added to the property tax bill. Join us on **November 3rd** to learn more.
