

GOOD AND GREEN
City of Sunrise

The City of Sunrise Sustainability Action Plan

Help to ensure the **City of Sunrise** is a **healthy, vibrant, resilient community** for current and future generations to live, work and play.

Join us to develop our Sustainability Action Plan! The Plan will provide a roadmap of strategies to protect our environment, conserve resources, and support a healthy, economically vibrant community that is resilient to climate risks.

Strategies to:

- **Reduce** energy consumption and conserve resources
- **Support** economic growth
- **Enhance** quality of life

*Stay tuned for information about our sustainability baseline and upcoming **public workshops!***
