

# Sleepy Springtime Bunny!

Sunrise “Stay and Play” Activity - April 7, 2020

## Materials:

- Two paper plates, and/or any paper you have on hand! Options include construction paper, notebook paper, newspaper and magazines.
- Scissors
- Markers or crayons
- Glue or tape

## Instructions:

- Cut out two long oval ears from one paper plate, and reserve the other plate for the bunny’s face. If you’re using paper instead of plates, cut out the face and ear shapes. (Use the photo below as a guide.)
- Cut out flowers, bowties or other bunny accessories from paper scraps.
- Use markers and/or crayons to decorate the bunny’s ears and accessories.
- Glue or tape the ears and accessories to the bunny’s face.
- Draw the bunny’s eyes and nose.
- Pipe cleaners and other trimmings are optional!

Remember, your bunny can look like the example shown here – or be completely original. There’s no need to buy special materials. Use whatever you have at home!
