

**A RESOLUTION OF THE CITY OF SUNRISE, FLORIDA,
CONDEMNING VIOLENCE AND DISCRIMINATION AGAINST
INDIVIDUALS IN THIS COUNTRY ON THE BASIS OF THEIR
RACE, COLOR OR NATIONAL ORIGIN; CALLING FOR A
COMMITMENT WITHIN OUR COMMUNITIES THAT VIOLENT
AND DISRESPECTFUL TREATMENT THAT DEGRADES
DIGNITY OR DISREGARDS HUMAN LIFE WILL NOT BE
TOLERATED FROM ANYONE, INCLUDING LAW
ENFORCEMENT; AND PROVIDING AN EFFECTIVE DATE.**

WHEREAS, on May 25, 2020, George Floyd, an unarmed 46-year-old black man was killed while being arrested by police in Minneapolis, Minnesota; and

WHEREAS, Mr. Floyd allegedly died after being pinned down under a police officer's knee for at least nine minutes, while handcuffed, lying face down on the street and begging to breathe, as three other officers looked on; and

WHEREAS, this apparently unprovoked and intentional act of violence represents a blatant disregard for the dignity and sanctity of human life; and

WHEREAS, the actions of the four Minneapolis police officers do not represent the actions or reflect the values of the men and women that serve and protect their respective communities with the highest level of professionalism, but their actions do impact the relationships between those communities and their police departments; and

WHEREAS, this act of intolerable violence and other similar acts of violence meted out to members of the black community that have occurred across this Country throughout its history are unpardonable. The killing of Mr. Floyd must serve as a wake-up call to every human being that recognizes life as both a gift and human right; and

WHEREAS, racism, racial discrimination and ethnic conflict and violence are pervasive and persisting challenges for the Country and threaten human development because of the obstacles which they pose to the fulfillment to basic human rights to survival, security, development, and social participation; and

WHEREAS, racism has been shown to have negative cognitive, behavioral, affective, and relational effects on both child and adult victims nationally and globally, historically and contemporarily; and

WHEREAS, racism has been shown to negatively affect ethnic minority children's academic and social development, self-esteem, and personal feelings of efficacy; and

WHEREAS, racism negatively affects the cognitive and affective development of members of the dominant group by perpetuating distorted thinking about the self and members of marginalized or oppressed groups; and

WHEREAS, racism can promote anxiety and fear in the dominant group members whenever they are in the presence of, or anticipating the presence of, marginalized group members, often leading to acts of hostility and aggression toward ethnic minority individuals; and

WHEREAS the struggle against racism requires continuing active resistance against it at all levels to promote social justice and human welfare nationally and globally.
