

Who Do You Love?

R & R Studios created the I LOVE YOU sculpture located outside of Young At Art Museum. Go on our virtual tour and then use this activity sheet to draw your family and friends on and around their sculpture! Who will be standing tall next to the letter I, peaking through the letter O, or standing on top of the letter E? Color the scene with crayons, pencils, or markers and share your work with us.

Email photos of the people you love to:
yaamuseum@gmail.com to be shared on social media!
