30 Ways to Save During Energy Action and Awareness Month

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				¹ Understand your electricity bill	² Get an energy audit-start with FPL's Home Energy Survey	³ Install motion sensor outdoor lighting
⁴ Drive the speed limit to help conserve fuel use	⁵ Watch the Broward Solar Co-op webinar	⁶ Wash clothes in cold water	⁷ Join the conversation #EEDay2020	⁸ Schedule a checkup for your A/C unit	⁹ Close or adjust blinds to block direct sunlight during the day	¹⁰ Plant a tree for energy savings
¹¹ Turn up the A/C 2° when you leave the house	¹² Swap your lightbulbs out to LEDs	¹³ Install faucet aerators and low-flow showerheads	¹⁴ Turn down the temperature on your water heater to 120°	¹⁵ Use power strips , and turn them off when not in use	¹⁶ Use natural lighting or daylight	¹⁷ Turn off the lights & TV and get outside
¹⁸ Install EnergyStar® appliances	¹⁹ Plant your own edible garden	²⁰ Make sure your car tires are properly inflated	²¹ Use ceiling fans to feel cooler	²² Use sleep mode instead of screen savers	²³ Assess your homes solar energy potential	²⁴ Install a programmable thermostat
²⁵ Upgrade your toilets to high efficiency models	²⁶ Turn off lights when you leave a room	²⁷ Consider a cool roof for your next roof replacement	²⁸ Seal air leaks using caulk or spray foam	²⁹ Learn about energy vampires and how to stop them	³⁰ Clean or replace A/C filters , set a monthly reminder	³¹ Celebrate your savings all year!

Sunrise Trunk or Treat

We hope to see you at the **Boo-Thru: A Drive-Thru Trunk or Treat Event** on **Saturday, October 31**, from **5:00 pm to 8:00 pm** at **Sunrise Sportsplex** (9101 NW 50 Street)

Don't miss the City's free, contactless, drive-thru event! Families: dress in your Halloween best and wind through a route featuring not-so-scary displays. Pop your trunk to receive candy and other goodies for the kids in your car!

Join us for the *spooktacular* fun! [Event Info](#)

For more information, contact the Sunrise Leisure Services Department: (954) 747-4600.
