A MESSAGE FROM THE MAYOR

As 2021 comes toward a close, I hope your spirits are elevated by the grace, excitement and wonder of the upcoming holiday season. While we have all had challenging recent times, we anticipate a brighter, happier 2022 as we move forward as a community toward better days ahead.

Our City, made up of a team of staff, residents and businesses, is a Compassionate City. Our **Compassion Center** continues to offer resources for our residents so they can turn to us in times of need. Sometimes our residents need direct assistance. Sometimes they need help to solve a problem where when can be their advocate. Either way, if you need help or are struggling with food or housing or other essentials, I encourage you to call (954) 746-3670 for assistance.

Sunrise is proud to provide diversions for residents of all ages – from the young to the young at heart. Programs like our **Fall Harvest Festival, Trick or Trot 5K, Holiday Tree Lighting, and Arts and Crafts Festival** provide opportunities for us to gather outside, greet our neighbors, and enjoy the beautiful South Florida weather.

We have all missed our **Tunes 'N Trucks** outdoor concert series and are so thrilled to welcome back our concert season. We are also excited to add an extra month of live music and food-truck favorites. This concert season, the February and June events will be in our entirely redesigned and new City Park. If you haven't already explored this beautiful, fully-renovated recreation facility, I encourage you to stop by. Better yet, attend our all-ages **Boo Bash at City Park** on Halloween!

Over the next few months, we expect to open even more parks for your enjoyment. Work at Veterans Park and Welleby Park is nearing completion – and we hope to announce plans for grand opening celebrations soon. Take a look at our **GO Bond Update** (beginning on page 6 of this issue) for details.

Best wishes to you and your family – and happy, healthy holidays – on behalf of the entire Sunrise City Commission. In the meantime, I hope you and everyone you know are and remain safe and healthy.

Michael J. Ryan, Mayor

GO GREEN THIS HOLIDAY SEASON!

There are a *Ho Ho Whole* Lot of Ways to Reduce Holiday Waste

Did you know that 25% more waste is created each year between Thanksgiving and New Year's Eve across the U.S.? That's about one million tons more per week during the holiday season.

This year, make your holidays joyous in spirit and gentle on the environment. Here's how:

Green Your Gift-giving Habits

- **Shop Sunrise!** When you buy local, you help support our local economy. You also cut down on gas by driving shorter distances. And you can save money: See page 4 of this issue for details on our new Shop Sunrise incentive program for merchants and customers!
- **Make It.** Bake a cake or cookies, or jar homemade jam or pickles. You could also knit, sew, build, or create art. Use the holidays to spark your creativity – and have some fun!
- **Go with Experience.** Give experiences as gifts – such as dinner certificates, tickets to the movies or a show, or passes to a local museum – instead of things. You can also give your time and skill by volunteering, or donate to a charity or service organization in the name of a friend of relative who supports that cause.

Rethink Your Lights

LED holiday lights are 80% more energy efficient than incandescent lights, and they last longer. You can even find solar-powered holiday lights that you can use outdoors to save on your electric bill, and eliminate the need for extension cords.

Pass Up Plastics

Today, wrapping paper is often laminated, and may contain additives such as gold and silver coloring, synthetic glitter, and plastics – making it non-recyclable.

If every American family wrapped just three presents in recycled or reusable materials, it would save enough paper to cover 45,000 football fields.

Want more ways to cut down on holiday waste? Visit www.sunrisefl.gov/passupplastics to take the Sunrise Pledge to **Pass Up Plastics**, and try out these plastic-free tips:

- **Choose a real tree** and check for local tree recycling programs that will turn used trees into chip mulch. (Markham Park is typically a Broward County Chip-a-Tree site. Visit <https://www.broward.org/Parks/ThingsToDo/Pages/Chip-a-TreeProgram.aspx> for details.) If you do purchase an artificial tree, be sure to use it for at least 10 years to minimize its environmental impact.
- Remember to bring **reusable bags** on shopping trips. They also make great gift bags – or gifts!
- **Skip the plastic straws** at holiday parties.
- Invest in a **reusable advent calendar** you can refill each year, instead of a disposable version.
- Pack holiday leftovers (and food gifts) in **reusable containers**.

Visit our **Good and Green booth** at the Sunrise Arts & Crafts Festival/ Winter Wonderland (details at www.sunrisefl.gov/winter) to learn more about going green, and take home an eco-friendly giveaway while supplies last!

To receive our tips and event notices all year, subscribe to the Good and Green e-newsletter at www.sunrisefl.gov/green.

IN CASE YOU MISSED IT!

Fourth of July Celebrations

The City resumed in-person festivities with a traditional parade along Sunset Strip. The newly-renovated City Park was the site of Family Fun Day and, once again, the BB&T Center hosted Sunrise's outdoor concert and fireworks spectacular. A trio of local bands – Reggae Force, Audiotramp, and Gypsy Lane Band – graced the main stage, and attendees enjoyed the children's fun zone, food and beverage vendors, and lots of patriotic spirit!

Back to School Round-Up

Sunrise marked the end of summer with style! Representatives from local schools were on hand to talk with families, and there were plenty of free refreshments. Residents entering kindergarten through 12th grade received a drawstring backpack filled with school supplies, and chose a grade-appropriate book.

Sunrise Comic Con

Comic Con – one of the City's newest and most popular events – returned, to the excitement of fans of all ages. This year's special guests included voice actors D.C. Douglas and Aaron Dismuke, who signed autographs and shared their experiences. Comic Con also featured cyber gaming, board gaming, panels, demos, and an amazing assortment of vendors. A colorful cosplay contest capped off the evening!

"Rhythms in Conversation"

Residents were drawn to the new City Park amphitheater for a free drumming workshop led by master musician Willie Stewart, formerly of reggae legends Third World. Participants in this unique outdoor event heard percussion instruments from around the world, explored a range of rhythms, and played interactive percussion games.

Sunrise families enjoyed the City's Fourth of July Parade.

Sunrise students chose from an amazing selection of grade-appropriate books.

Comic Con featured special guests including voice actor Aaron Dismuke.

SHOP SUNRISE!

Save Money and Support Local Businesses

On November 1, the City will launch *Shop Sunrise*, a program that encourages Sunrise residents to invest in our community by shopping locally. There are lots of great reasons to spend where you live, but we're focusing on five.

Shop Sunrise:

- **Creates jobs.** Shopping at a local small business gives them an opportunity to expand and create more jobs right here in Sunrise.
- **Is neighborly.** By supporting locally-owned and operated businesses, we stimulate the local economy and help members of our own community to prosper and grow.
- **Adds diversity.** Our community is unique and we all benefit from having one-of-a-kind restaurants and businesses that add to the distinctive character that sets Sunrise apart.
- **Saves money, gas and time.** Why chase bargains elsewhere when you can get great pricing right here in Sunrise?
- **Is green.** Shopping locally helps reduce the environmental impact of your purchases, as local businesses often buy from local suppliers. And just as you save gas by making shorter trips, you're also supporting a business that employs your neighbors – reducing their commutes and their carbon footprints as well.

Just in time for the holidays, the City is partnering with local business owners: they provide special Shop Sunrise savings, and we share their deals with residents! **Beginning November 1st**, visit

www.sunrisefl.gov/shopsunrise for more information - including a list of participating merchants and their specials. Be sure to look for the Shop Sunrise sticker on the window of your favorite retailer, service provider, or restaurant. Business owners: email shopsunrise@sunrisefl.gov now to find out how you can be part of the program!

COMING SOON... SUNRISE SMALL BUSINESS ACADEMY

The City is preparing to launch the Sunrise Small Business Academy (SSBA) to provide small business owners with training, access to local resources, and other assistance that can help elevate and grow their businesses. The free program will feature interactive presentations on a variety of topics – such as entrepreneurship, permitting, accounting, marketing, and sales – led by City staff and community experts.

Virtual sessions for the initial cohort are expected to begin in early 2022. For more information, email dalima@sunrisefl.gov or call (954) 746-3430.

CONGRATULATIONS, RLA ALUMNI!

Residents Leadership Academy Summer 2021 Cohort Graduates

The third cohort of the Residents Leadership Academy (RLA) convened this summer, and celebrated their graduation in August. The group gained in-depth knowledge about City of Sunrise operations; toured parks, public safety facilities, and utility plants; networked with their neighbors; and became true community ambassadors. Visit www.sunrise-fl.gov/rla for more information about the program.

SUNRISE SPORTS STARS

Two new Sunrise sports stars emerged this summer! Please join us in celebrating these home-grown talents:

Patrick Doyle, Sunrise Swimming

Patrick has been a City of Sunrise lifeguard since 2019, and a member of the Sunrise Swimming team since he was eight years old. He qualified for the 2021 Speedo Summer Championships in North Carolina – a national meet for elite 18 & Under swimmers – where he competed in the 100-meter and 200-meter backstroke events against some of the fastest swimmers in the U.S. Patrick is currently attending McKendree University on academic/athletic scholarship.

Felipe Pinzon, High Intensity Tennis Training

Felipe, a student in the High Intensity Tennis Training (HITT) program at Sunrise Tennis Club, won the prestigious USTA National 16s Clay Court Singles Championship in Delray Beach. In addition to earning the Gold Ball trophy in singles play, he won the third-place Bronze Ball in doubles competition. Felipe, a 16-year-old Sunrise resident, has been a HITT student for four years.

CITY HALL CONSTRUCTION UPDATE

The new Sunrise City Hall is rising at the intersection of West Oakland Park Boulevard and Josh Lee Boulevard. This modern building is part of Sunrise’s Municipal Campus Improvement Project, which also includes the demolition of the current City Hall; construction of a free-standing, 500-space parking garage; upgrades to and expansion of the existing Civic Center Amphitheater – including a Great Lawn for concerts and other events; covered walkways; and landscaping and other site enhancements.

The new City Hall will unite most Sunrise departments under one roof, and puts residents’ needs at the forefront. The main floor will provide a convenient “one-stop shop” where customers can receive assistance with building permits, code compliance, and business tax receipts, as well as open utility accounts and pay bills. Large TV screens will display your spot in the queue if you experience a wait for service; showcase current and upcoming City programs and events; and provide entertainment.

The 95,000-square-foot, five-story building will also feature a larger City Commission chamber for public meetings, as well as a small museum to highlight Sunrise’s history.

Construction is progressing as scheduled, with occupancy of the new City Hall expected at the end of 2022. After demolition of the existing City Hall, anticipated in early 2023, construction will begin on the parking garage and amphitheater improvements – which are anticipated to be completed in early 2024.

This rendering shows an aerial view of the new Sunrise Municipal Campus – with City Hall at the corner of West Oakland Park Boulevard and Josh Lee Boulevard, and the parking garage and Great Lawn to its south.

The new City Hall, shown in this exterior rendering, will be five stories tall and 95,000 square feet.

The Sunrise City Commission celebrated the groundbreaking of the new City Hall in April 2021. Pictured left to right: Commissioner Joseph A. Scuotto, Assistant Deputy Mayor Jacqueline A. Guzman, Mayor Michael J. Ryan, Deputy Mayor Neil C. Kerch, and Commissioner Mark A. Douglas.

This recent drone image shows the current City Hall in the foreground, alongside the construction of the new City Hall structure.

GO Bond Update:

Improvements to Parks and Recreation Facilities Continue

On Election Day in 2014, more than 70% of Sunrise voters approved the City's general obligation (GO) bond referendum. Thanks to this overwhelming resident support, Sunrise is able to fund improvements to parks and recreation facilities in neighborhoods citywide.

The map shown here provides a quick visual overview of work funded by GO Bonds. On the following two pages, you'll find more in-depth information about projects recently completed and currently under construction.

We will continue to update you on our progress in upcoming issues of Horizons. We also invite you to visit www.sunrisefl.gov/park-bonds for additional information - including photos and renderings - for all of our projects. (Please keep in mind that renderings are conceptual, and that design details may change over the course of a project.)

You can find project information – and knowledgeable staff members – at City events, too. Look for our GO Bond team at the Sunrise Civic Center Amphitheater during Tunes 'N Trucks concerts on October 8 and November 5, and at the Fall Harvest Festival at the Sunrise Sportsplex on October 16.

The fully-reimagined City Park is the crown jewel of Sunrise's original neighborhoods! Re-opened in November 2020 after a complete renovation, the park now features a lush green lawn surrounded by a walking path and fitness stations. Other amenities include a shaded playground, a soccer-themed splash pad, an amphitheater stage, covered basketball courts, and picnic pavilions.

COMPLETED

- 1 **12th Street Park** – a new neighborhood green space – was constructed on formerly vacant land.
- 2 **Flamingo Park** was renovated to add a new meeting hall, shaded basketball courts, fitness stations, a splash pad, and a second batting cage. The existing meeting facility was renovated and the playground was improved.
- 3 **Bicycle lanes** were constructed along NW 44th Street from Pine Island Road to the SAC entrance at NW 117th Avenue.
- 4 **Nob Hill Soccer Club Park** re-opened in November 2019 following a complete renovation. The facility now features two new synthetic turf fields, an improved natural turf field, and a music-themed tot

UNDER CONTRACT/CONSTRUCTION

- 9 Expand **Welleby Park** to add a dog park, a "Safety Town" play-learn area, a splash pad, a new playground, and a lakeside promenade, and enlarge and renovate the existing Community Building.

We appreciate your patience during the construction process. Our staff and contractors are striving to keep closures, program relocations and cancellations, and other inconveniences to a minimum as we work to enhance your recreation options.

10 Create a **Veterans Park** with an accessible playground, a meditation labyrinth, a small pavilion, and monuments in tribute to the U.S. Military Service Branches.

11 Improve **Roarke Hall** facilities to include new windows, interior remodeling, and exterior lighting (completed); fence replacement (completed); landscape upgrades (completed); and a new splash pad. Completion in Fall 2021.

12 Renovate **Sunrise Athletic Complex (SAC)** to include a multipurpose building and gymnasium, covered basketball courts, added parking, and a new concession stand and scorers' tower. In addition, improvements will be made to the multipurpose field.

13 Renovate **Village Beach Club** to include a new lightning protection system (completed); window, door and fence replacement (completed), and pool renovation (completed); restroom (completed), exterior lighting (completed) and landscaping upgrades (nearing contract); and concession building renovation and new signage (completed).

IN DESIGN

14 The scope at **Oscar Wind Park** (Intermediate Phase) is to demolish the remaining portable classrooms on the old Cypress Bay Annex property, replace the playground with a new playground and shade structure, replace the chain link fence on North New River Circle with a decorative fence, and then

construct an outdoor fitness circuit, a connector road between Oscar Wind Park and Sawgrass Sanctuary Park, walking paths, parking lot improvements, and landscaping/irrigation improvements.

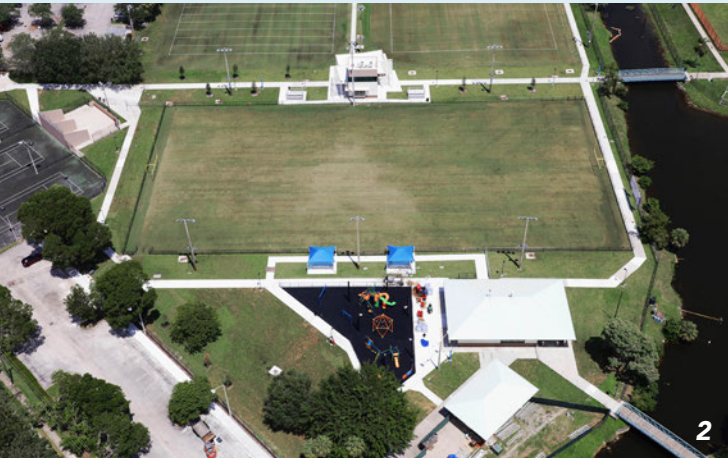

15 Convert vacant land at **Sunset Strip/109th Avenue** into a new neighborhood park with a playground.

FUTURE

14 Renovate and expand **Oscar Wind Park** (Phase II) to include a multi-purpose building and gymnasium, a new sprayground, and dedicated parking.

16 Convert vacant land at **9525 West Oakland Park Boulevard** into a new neighborhood park.

PROJECT SPOTLIGHT: Several GO Bond projects are nearing completion, and others are well underway!

SUNRISE ATHLETIC COMPLEX (SAC)

Work is well underway on the expansion of SAC. The project includes the renovation of the park's existing playground, full-size multipurpose fields, meeting hall, and restroom facilities, and the resurfacing of tennis courts. In addition, a 15,000-square-foot multipurpose building is under construction, along with five new, covered outdoor basketball courts, a concession building with scorers' tower, and additional parking. SAC's sports lighting and security features will also be enhanced. Several fields and a new playground are already open for use; the entire project is expected to be completed in spring 2022.

ROARKE HALL

Work is continuing on the renovation of Roarke Hall and its grounds. The building is receiving interior upgrades, as well as a new roof and hurricane protection improvements. The pool is being refinished and a new splash pad is being constructed. Enhancements also include a poolside gas grill. Some elements of the project have already been completed, and the facility is expected to reopen in fall 2021.

1

VETERANS PARK

Much of the work is finished on a new Veterans Park with flags and monuments that pay tribute to all U.S. military branches of service. Additional features include a boundless playground for children of all abilities, a meditation labyrinth for quiet contemplation, a memorial tree with a paver plaza, and a remembrance pavilion. The park will also offer reserved parking for combat-wounded Veterans. Veterans Park is expected to be completed in fall 2021.

2

WELLEBY PARK

The City purchased five acres of adjacent land to facilitate the expansion and renovation Welleby Park – which is nearly complete. Once the project is finished, Welleby Park will be the site of Sunrise’s first municipal dog park, with areas for large, small, and tiny dogs. Also new to Welleby Park will be a Safety Town play/learn area (with concrete pads already in place and miniature buildings now being fabricated), a nature-themed splash pad, a boardwalk plaza, and a new playground. The existing community building has been expanded to accommodate programs and rentals for up to 50 people.

3

Additional Flexi-Pave pathways are being constructed and there will be additional parking available, as well as enhanced lighting and security features. Welleby Park is expected to be finished by the end of 2021.

LIGHTNING PREDICTION SYSTEM

The City has taken certain precautions to minimize the potential for lightning related injuries. The Thor Guard Lightning Prediction and Warning System has been installed to provide protection from lightning disasters for the public. When the Thor Guard system sounds (15 second horn blast), the outdoor facility must be cleared of all patrons, who must seek and remain in buildings or vehicles until the all clear signal sounds (3 short horn blasts).

It is recommended that park patrons seek a sheltered area, such as buildings, vehicles or other fully enclosed structures. Patrons should not seek refuge in or near dugouts, trees, fences, tot lot equipment,

light and telephone poles, umbrellas, metal objects, etc. This policy shall apply to all programs and facilities operated by the City of Sunrise. Individuals who disregard this policy may be subject to arrest for trespassing.

The Thor Guard system is in operation Monday through Sunday, 8:00 am to 10:00 pm at the following locations: Sunrise Civic Center, SAC Park, Welleby Park, City Park, Roarke Hall, Nob Hill Soccer Club, Flamingo Park, Oscar Wind Park, Sawgrass Sanctuary Park, Sunrise Tennis Club, Springtree Golf Club, Piper Field and Welleby Pool.
