To Qualify for Residential Rebates:

- Limited to residential households currently served or may be served by the City of Sunrise Gas System.
- Natural gas appliances must be installed according to all applicable building codes. **Proof of installation is required.** (photos are not accepted.)
- Replacement of an electric water heater or electric central heating system **requires** verification by the City of Sunrise Gas Division **prior** to installation of a natural gas water heater or natural gas furnace. Limited to one rebate per residence.
- Limited to one rebate per each natural gas appliance per household within a five (5) year period.
- Rebates are only available for customer owned **new** natural gas appliances; leased, rented, or used gas appliances are excluded.

To Apply for Residential Rebates:

- Complete a City of Sunrise Residential Rebate Request Form. Incomplete forms will be returned.
- Attach **copy** of dated store sales receipt(s) and/or contractor invoice(s). Receipts will be returned via mail.
- Rebate requests must be received within thirty (30) days of purchase.
- Mail this completed form, original receipts, and proof of installation to the above address.

Payment of Residential Rebates:

- Amount of the residential rebate is limited to the lesser of the rebate amount or the cost of the appliance plus installation costs.
- Must have an active City of Sunrise Gas Account.
- Rebates are applied as a credit to the City of Sunrise Utility Account for homeowner occupied units.
- Rebates are mailed to the owner of residential rental units.
- The rebate may not be used in lieu of the deposit on new gas accounts.
- The amounts of funds for rebates are limited per fiscal year and are processed on a first come basis. In the event funding for the current fiscal year is exhausted, any unpaid rebates will be applied in the order received at the start of the new fiscal year beginning on October 1st.
