

STUNNING SUNRISE AWARDS PROGRAM

Well-maintained homes and businesses not only look great – they can also increase property values, inspire neighbors to maintain their property to higher standards, and help elevate the overall quality of life in the City of Sunrise.

The City's Stunning Sunrise Awards Program

recognizes owners of single-family homes, townhomes and businesses who take extra care to maintain their properties.

IS YOUR PROPERTY – OR A NEIGHBOR'S HOME OR BUSINESS – A SHINING EXAMPLE?

Apply for a Stunning Sunrise Award in one of three categories:

Winners, selected quarterly, will receive a decorative yard sign (to be passed along to subsequent honorees), as well as recognition at a Sunrise City Commission meeting and on the City's website and social media channels. Home and Transformation award winners will also receive a gift card.
