Narrative			
<p>On February 12th, 2022, I responded to 6390 W Oakland park Blvd in reference to a vehicle accident that just occurred. Upon arrival, I made contact with Ofc. [REDACTED] who was already on scene. She advised an unknown black male chased a woman, who was later identified as [REDACTED], out of a liquor store located on 6254 W Oakland Park Blvd. [REDACTED] then got into her Silver Ford Fusion bearing Fl tag [REDACTED] and headed northbound on Nw 64th Av. Due to the fear instilled in her, [REDACTED] drove into another vehicle in front her, a Silver Lexus bearing Fl tag LRMH93 and struck the rear of the vehicle causing minimal damage. Once contact was made with [REDACTED] she described the black male as short in height, wearing a blue shirt with short dreads and was last seen at 6254 W Oakland Park Blvd. At this time, myself and Ofc. [REDACTED] initiated a canvass around the surrounding area. Shortly thereafter, Ofc. [REDACTED] was able to positively identify a black male subject who matched the description provided by [REDACTED] walking in front of 6390 W Oakland Park Blvd (Advanced Auto Parts). Once contact was made with the subject, the subject immediately became defensive, started swearing loudly, while sweating profusely. He then stated "Don't ask me about that bullshit" Due to the highly populated area and aggressive mannerisms, Ofc. [REDACTED] attempted to detain the subject for further investigation. I then witnessed the subject attempt to open hand strike Ofc. [REDACTED] while she tried to detain</p>

him. At this time, myself and Ofc [REDACTED] immediately took control of the subject and guided him to the ground. As the subject was going to the ground, he attempted to hit me with a closed fist and missed. The subject then wrapped his hands around my waist on the way down. Once on the ground, the subject continued to resist officers by bracing, tensing and pulling away from officers. At this time, I struck the subject with a closed fist multiple times in an attempt to regain control of the subject and restrain him which were effective. While the subject was still on the ground, he made multiple statements that he would "kill" officers for what they did to him. Moments later, the subject was ultimately restrained with handcuffs and was escorted to Ofc [REDACTED]'s marked patrol vehicle. While the subject was being escorted to the vehicle, he was still attempting to resist officers by refusing to go in the vehicle without incident. Officers assisted the subject into the vehicle with the minimum amount of force necessary for him to comply.

Narrative			
<p>I responded to a vehicle accident in which one of the drivers [REDACTED] stated she was being chased by a man that was yelling at her in the Liquor store. [REDACTED] stated the man was chasing her and violently punching her windows as she drove away. [REDACTED] was crying and stated she was so afraid of the subject that she ran into the vehicle in front of her at the traffic light (NW 64Th AV and W Oakland Park Blvd). I canvassed the area for the subject and located him in front of Advanced Auto Parts. Contact was made with the male matching the description provided by the victim and 2 witnesses. When I asked him what happened at the store, he became very irate and argumentative with officers. Due to the highly populated area and the subjects aggressive mannerisms I attempted to detain the subject for Officer safety purposes and further investigation. The suspect then made an attempt to open hand strike my arm with the back of his hand. Officers [REDACTED] and [REDACTED] escorted the subject to the ground. During this time the subject attempted to close fist strike [REDACTED] but then opened his arms and wrapped them around [REDACTED].</p>

Narrative - continued

Several commands were given for the suspect to stop resisting and put his arms behind his back. I was able to get one cuff on the subjects left arm but the subject continued to resist. I delivered approximately 4-6 strikes to side of the subjects stomach which were ineffective and approximately 2-4 strikes to the subjects outer thigh to gain pain compliance which were effective and caused the subject to release his hand. At this time I was able to place the second handcuff around the subjects other wrist. The subject continued to resist throughout. It should be noted the subject threatened to kill officers while he was on the ground. The subject was picked up and placed into the rear of my marked police car.

While speaking with the male, he was profusely sweating, very uncooperative and argumentative with officers. He stated to officers "Don't ask me about that bullshit". Due to the highly populated area and the subjects aggressive mannerisms, Ofc [REDACTED] attempted to detain the subject for officer safety and for further investigation. The suspect then made an attempt to open hand strike [REDACTED] arm with the back of his hand while she tried to detain him. At this time, myself and [REDACTED] grabbed the male and guided him to the ground. He was given lawful commands to stop resisting, but continued to tense and pull. One handcuff was placed on the male's left arm, and he was turned over to his stomach. The male was given commands to release his right arm from under his body, which he refused to comply. At this time I delivered two knee strikes to the male's lower abdomen, causing him to remove his right arm from under his body and was successfully handcuffed.

While still on the ground, the male continued making statements that he would "kill" officers for what they were doing to him. Officers picked the male up off the ground and escorted him to a marked Sunrise Police Car. While trying to get the male in the back of the police vehicle, he made attempts to spit on officers. The male was successfully placed in the back of the vehicle.

On 2/12/2022 I responded to a vehicle accident at 6400 W Oakland Park Blvd. The female driver, [REDACTED] advised the reason she got into the crash was because an unknown male, later identified as Frantz Jean Baptiste, (described as a black male with shoulder length deadlocks and bright blue shirt) was chasing her vehicle on foot while punching her vehicle windows and she was attempting to drive away from him.

[REDACTED] further explained that prior to the crash she was in the liquor store (6254 W Oakland Park Blvd) when the male began yelling at her and said "you look like you got money buy me a beer bitch". [REDACTED] stated the male was kicked out of the store by the staff but then waited outside for her. As [REDACTED] exited the store she noticed Frantz was still outside yelling profanities at her. [REDACTED] was afraid, got into her car, and drove away. She stated the male ran after her car, punching it as she drove away from the liquor store to a traffic light at NW 64TH AV/W Oakland Park Blvd. [REDACTED] stated that she was now stopped at a traffic light and blocked in by other vehicles that were also stopped at the traffic light. While she was inside of her vehicle at the traffic light, Frantz began to strike the windows of her car. [REDACTED] stated she was in fear of the male harming her. She stated that she was in such fear that she began to accelerate, striking the vehicle that was stopped in front of her. [REDACTED] stated that after the crash, Frantz fled the scene. She stated that there was minor property damage sustained on both vehicles. Two independent witnesses verified her story. Both witnesses stated they watched Frantz chase [REDACTED]'s vehicle while punching her windows.

I attempted to investigate the contributing factor in the crash which was Frantz Jean Baptiste actions which led to the accident.

While investigating, I observed Frantz who matched the description provided by [REDACTED] and both independent witnesses in front of Advanced Auto Parts. I approached Frantz along with the assistance of [REDACTED] and Officer [REDACTED]. I asked him what happened at the liquor store and he said "Don't come to me and ask me bullshit questions" and became very irate and argumentative with officers. Due to the highly populated area and Frantz aggressive mannerisms I attempted to detain the Frantz for Officer safety purposes and further investigation. Frantz then made an attempt to open hand strike my arm with the back of his hand and pushed me with an open hand to my chest area. Officers [REDACTED] and [REDACTED] escorted the subject to the ground. During this time the subject attempted to close fist strike [REDACTED] but then opened his arms and wrapped them around Officer [REDACTED].

Frantz was escorted to the ground when he began kicking both of his legs and kicked me in my left knee causing injury. Frantz continued to resist arrest by tensing, pulling away from officers and refusing to place his hands behind his back. Several commands were given to Frantz to stop resisting which were all ignored. I struck Frantz in the side of the stomach and the outer thigh in an attempt to gain compliance. After a brief struggle, Frantz was handcuffed and placed in the back of my marked patrol vehicle #838.

Frantz began kicking my door until the door began to permanently bend. It should be noted that this caused permanent damage which will likely result in the door needing replacement. Frantz also kicked out the middle section of my vehicle`s cage which caused unreparable damage.

Frantz was asked multiple times to identify himself however, he did not cooperate. Officers attempted to use a fingerprint scanner to identify Frantz but were unsuccessful due to his failure to comply. (Frantz name and date of birth was discovered when he later arrived at BSO main jail for processing).

While moving Frantz to a different marked vehicle due to my vehicle now being out of service, I explained to Frantz that he was being trespassed. He replied by saying he was going to go back anyways and he would kill officers with his bare hands and take all the officers to the morgue. He also threatened to shoot officers and our families when he gets out of jail.

Frantz was transported to BSO main jail.

I filled out and filed Risk Protection Order paperwork for Frantz.

A Response to Resistance Form was also completed.

On February 12th, 2022, I responded to 6390 W Oakland Park Blvd in reference to a vehicle accident that just occurred. Upon arrival, I made contact with Ofc [REDACTED], who was already on scene. She advised an unknown black male chased a woman, who was later identified as [REDACTED], out of a liquor store located on 6254 W Oakland Park Blvd. Once contact was made with [REDACTED] she described the black male as short in height, wearing a blue shirt with short dreads and was last seen at 6254 W Oakland Park Blvd. At this time, myself and [REDACTED] initiated a canvass for the surrounding area. Shortly thereafter, [REDACTED] was able to positively identify a black male subject who matched the description provided by [REDACTED] walking in front of 6390 W Oakland Park Blvd (Advanced Auto Store). [REDACTED], [REDACTED], and I made contact with the male to investigate the incident.

While speaking with the male, he was profusely sweating, very uncooperative, and argumentative with officers. He stated to officers "Don't ask me about that bullshit". Due to the highly populated area and the subjects aggressive mannerisms, [REDACTED] attempted to detain the subject for officer safety and for further investigation. The suspect then made an attempt to open hand strike [REDACTED]'s arm with the back of his hand while she tried to detain him. Myself and [REDACTED] grabbed the male and guided him to the ground. He was given lawful commands to stop resisting, but continued to tense and pull. One handcuff was placed on the male's left arm, and he was turned over to his stomach. The male was given commands to release his right arm from under his body, which he refused to comply. At this time I delivered two knee strikes to the male's lower abdomen, causing him to remove his right arm from under his body and was successfully handcuffed.

While still on the ground, the male continued making statements that he would "kill" officers for what they were doing to him. Officers picked the male up off the ground and escorted him to a marked Sunrise Police Car. While trying to get the male in the back of the police vehicle, he made attempts to spit on officers. The male was successfully placed in the back of [REDACTED]'s vehicle. While the male was in the back of the vehicle, he continuously kicked the door and cage to Ofc [REDACTED] vehicle, causing the cage to break and permanently bent the door. The male continuously repeated that he was going to kill officers and he didnt need a gun to do it.

Ultimately, I transported the male to BSO main for processing. While transporting the male, he continuously stated he would kill me the next time he saw me. Upon arrival to BSO main jail, the male had yet to identify himself and be identified. BSO intake Sergeant was able to identify the male via fingerprint scan as Frantz Jean-Baptiste, DOB 09/28/1980. Baptiste was processed with the jail, and completing my involvement with the case.

On February 12th, 2022, I responded to 6390 W Oakland park Blvd in reference to a vehicle accident that just occurred. Upon arrival, I made contact with [REDACTED], who was already on scene. She advised an unknown black male chased a woman, who was later identified as [REDACTED] out of a liquor store located on 6254 W Oakland Park Blvd [REDACTED] then got into her Silver Ford Fusion bearing Fl tag [REDACTED] and headed northbound on Nw 64th Av. Due to the fear instilled in her, [REDACTED] drove into another vehicle in front her, a Silver Lexus bearing Fl tag LRMH93 and struck the rear of the vehicle causing minimal damage. Once contact was made with [REDACTED] she described the black male as short in height, wearing a blue shirt with short dreads and was last seen at 6254 W Oakland Park Blvd.

At this time, myself and Ofc [REDACTED] initiated a canvass around the surrounding area. Shortly thereafter, [REDACTED] was able to positively identify a black male subject who matched the description provided by [REDACTED] walking in front of 6390 W Oakland Park Blvd (Advanced Auto Parts). Once contact was made with the subject, the subject immediately became defensive, started swearing loudly, while sweating profusely. He then stated "Don't ask me about that bullshit" Due to the highly populated area, and aggressive mannerisms, [REDACTED] attempted to detain the subject. I then witnessed the subject attempt to open hand strike Ofc [REDACTED] while she tried to detain him. At this time, myself and Ofc [REDACTED] immediately took control of the subject and escorted him to the ground. As the subject was going to the ground, he attempted to hit me with a closed fist and missed. The subject then wrapped his hands around my waist on the way down. Once on the ground, the subject continued to resist officers with violence by bracing, tensing and pulling away from officers. At this time, I struck the subject with a closed fist multiple times in an attempt to regain control of the subject and restrain him which were effective. While the subject was still on the ground, he made multiple statements that he would "kill" officers for what they did to him.

Moments later, the subject was ultimately restrained with handcuffs and was escorted to [REDACTED]'s marked patrol vehicle. While the subject was being escorted to the vehicle, he was still attempting to resist officers by refusing to go in the vehicle without incident. Officers assisted the subject into the vehicle with the minimum amount of force necessary for him to comply. The subject was then transported to a City of Sunrise sub station to complete paperwork. During this time, the subject repeated he would "kill" officers for what they did to him. After completion of the paperwork, the subject was transported to BSO Main Jail for booking.

Reference: Follow Up

On 2/13/2022 I made contact with the employee, [REDACTED] of Sunrise Liquor in reference to a follow up investigation. [REDACTED] stated she observed Frantz harassing and yelling at [REDACTED] in the store. [REDACTED] told him to leave her alone multiple times.

[REDACTED] stated she then told Frantz to leave the store. Frantz went outside of the store and waited for [REDACTED]

After the vehicle crash, Frantz returned to the Liquor store and told [REDACTED] "If you ever do that again, I will kill you". [REDACTED] was in fear but does not wish to press charges at this time. However, [REDACTED] requested the video footage from in store be kept in case he comes back to find her.

An Evidence.com link was sent to the store owner for video footage.

On 2/13/2022 I also spoke with [REDACTED] again as she was shaken up at the time of the incident and was unsure if she wished to press charges at the time. As we spoke about the incident again, she stated that inside of the liquor store Frantz threatened to kill her and slap her. Once she was able to get in her vehicle and drive away Frantz continued the same threats along with screaming profanities at her and punching her car windows while her vehicle was moving. This created a fear that Frantz was going to hurt her and/or break her car windows. [REDACTED] was so afraid she crashed into the vehicle in front of her at the light attempting to leave the area.

An affidavit was signed by [REDACTED] stating she now wishes to press charges for simple assault.
