**B. Purpose of the program:**

- To meet the housing needs of the very low, low and moderate-income households;
- To expand production of and preserve affordable housing; and
- To further the housing element of the local government comprehensive plan specific to affordable housing.

**C. Fiscal years covered by the Plan:** 2019-2020, 2020-2021, 2021-2022

**D. Governance:** The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

**E. Local Housing Partnership:** The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services and lead agencies of the local continuums of care.

**F. Leveraging:** The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

**G. Public Input:** Public input was solicited through face to face meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

**H. Advertising and Outreach:** SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

**I. Waiting List/Priorities:** A waiting list may be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time applications were submitted as well as any established funding priorities as described in this plan.

The following priorities for funding described/listed here apply to all strategies unless otherwise stated:

A waiting list may be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status upon request.

Applicants will be maintained in an order that is consistent with the time applications were submitted, as well as any established funding priorities as described in this plan.

In the case of a waiting list, the City shall place candidates on the waiting lists from phone inquiries and in person visits to the Redevelopment and Grants office. Candidates will be placed on the waiting list in order of receipt and separated based upon the strategy requested.

When funds are available for a particular strategy, candidates on the waiting list will be contacted. An application will be mailed to the address provided at that time. Applicants will be placed in queue for assistance once all required documentation has been provided and the household has been deemed eligible.

Assistance will be provided on a first-qualified, first-served basis with first priority given to Special Needs households, followed by very-low, low, and moderate income households. The next priority will be to serve essential services personnel (ESP) in the order of very-low, low, and moderate income households. After serving sufficient households to meet regulatory required set-asides and any qualified ESP for current funding, all applicants deemed eligible will be considered equally with priority given to very-low, then low, then moderate income households. The city may layer up to three strategies to address documentable housing needs and/or remedy health and safety hazards. Applicants deemed to have severe housing needs and/or health and safety hazards will be eligible to utilize strategy layering for up to three strategies and will be given priority for the strategies being layered.

Ranking Priority:

1. Special Needs Households, ESP then VLI, LI and MOD

- J. **Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or familial status in the award application process for eligible housing.
- K. **Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling and Transportation.
- L. **Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the median area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

U.S. Treasury Department	X
Local HFA Numbers	

- M. **Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at [www.floridahousing.org](http://www.floridahousing.org).

*“Affordable” means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household’s ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.*

- N. Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.
- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The city finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the local housing assistance plan.

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states:** *“A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”*

**Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states:** *“The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.”* The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

- Q. Program Administration:** Administration of the local housing assistance plan will be performed by:

Entity	Duties	Percentage
Local Government	Administration, implementation, monitoring	100%
Third Party Entity/Sub-recipient	N/A	

- R. Project Delivery Costs:** In addition to the administrative costs listed above, the City will charge a reasonable project delivery cost to cover initial inspection, bid reviews, construction oversight if necessary, final inspection, work specification, title searches, and lead based paint inspections performed by non-city employees for housing assistance programs. The fees will be as per contract with the professional entities providing these services and will be included in the amount of the recorded mortgage and note.
- S. Essential Service Personnel Definition:** For purpose of SHIP funding, the City considers the following groups as Essential Services to our city: First Responders, Educators, Nurses (healthcare), Skilled Building Trades, Active Military, and National Guard stationed in the city.
- T. Describe efforts to incorporate Green Building and Energy Saving products and processes:** The City will, when economically feasible, employ the following Green Building requirements within housing assistance programs:
1. Low or No-VOC paint for all interior walls (Low-VOC means 50 grams per liter or less for flat paint; 150 grams per liter or less for non-flat paint);

The goals will be met through the owner-occupied Residential Rehabilitation, Architectural Barrier Removal, Disaster Mitigation, and Disaster Recovery strategies as well as the Purchase Assistance strategy.

**Describe efforts to reduce homelessness:**

- V.** The Broward County Homeless Initiative Partnership (HIP) is designated as the lead agency for the Broward County Continuum of Care (CoC), which is tasked with addressing homelessness in and throughout Broward County including the City. As the lead agency for the CoC, HIP works to improve access to services that support housing stability and facilitate self-sufficiency. In addition, the lead agency is responsible for advancing community-wide efforts, including the 10-Year Plan to End Homelessness and the Annual Point-In-Time (PIT) survey. Although the city is not involved directly with these partnerships, participation is coordinated through the City's participation in the Broward County HOME Consortium. HIP representatives present homeless data to the consortium members and collaborate on local challenges. City retains a commitment to ending homelessness.

### III. LHAP Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

- A. Name of the Strategy: **Expedited Permitting**  
Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

Provide a description of the procedures used to implement this strategy: All program contractors must submit the building permit application package to the Redevelopment and Grants (R&G) staff.

A cover memo executed by the Grants Administrator and the Community Development Director is placed on top of the permit package, and then the R&G staff delivers the package to the Building Division for processing. (City Ordinance No. 402-95-B)

B. Name of the Strategy: **Ongoing Review Process**

An ongoing process for review of local policies, ordinances, regulations and plan provisions that increase the cost of housing prior to their adoption.

Provide a description of the procedures used to implement this strategy:

The Planning Division is responsible for performing the analysis for this incentive and presenting the results to the decision-makers. The City Commission also holds two regular meetings per month during which all proposed changes are considered and discussed before adoption.

C. Name of the Strategy: **Increased Density Levels**

Provided by Ordinance No. 402.

Provide a description of the procedures used to implement this strategy:

The City considers increased density levels through Land Use Plan amendments. The City provides for Affordable Housing Density Bonus as per the City's Comprehensive Plan: Future Land Use Element Policy 1.2.4, 1.3.5, and 16.3.16, Future Land Use Element Implementation Section A, Residential(7), and Housing Element Policy Housing Element Policy 1.2.11

D. Name of the Strategy: **Zero-Lot-Line**

The City allows zero-lot-line construction as provided by Ordinance No. 402.

Provide a description of the procedures used to implement this strategy:

The City provides for zero-lot-line configurations and additional flexible lot configurations as per the City's Comprehensive Plan Future Land Use Element, Policy 16.3.16, Housing Element Policy 1.4.3, and as granted per the City Land Development Code, Article V "District Regulations" under the residential zoning districts.

E. Name of the Strategy: **Definition of Affordable Housing**

The City of Sunrise defines affordable housing as defined in the SHIP Act. Affordable means that monthly mortgage payments, including taxes and insurance, do not exceed 30 percent of an amount representing the percentage of the area's median annual gross income for the household. However, it is not the intent to limit an individual or household's ability to devote more than 30 percent of its income for housing. Housing for which a household devotes more than 30 percent of its income shall be deemed affordable if the institutional first mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30 percent benchmark or, for rental housing, rents do not exceed those limits adjusted for bedroom size published annually by the Florida Housing Finance Corporation.

F. Name of the Strategy: **Inventory of Locally Owned Public Lands Suitable for Affordable Housing**

The City continues to have an inventory of locally owned public lands suitable for affordable housing readily available, and will review at a public hearing every 3 years consistent with 166.0451 F.S. and as part of the SHIP Triennial Report

G. Name of the Strategy: **Reduction of Parking and Setback Requirements**

The City's Land Development Code Section 16-144 provides for reduction of parking for affordable housing and the Land Development Code, Article V, "District Regulations" provides for reduction in setbacks requirements

H. Name of the Strategy: **Support of Development Near Transportation Hubs and Major Employment Centers and Mixed-Use Developments**

This incentive is addressed in the City's Comprehensive Plan, Policy 1.2.8 of the Housing Element. The City's Land Development Code for parking requirements of affordable housing, Section 16-144(a)(10), requires affordable housing to be located within one-quarter mile of an existing public transit route.

RESOLUTION NO. 19-65-19-A

**A RESOLUTION OF THE CITY OF SUNRISE, FLORIDA, APPROVING AN AMENDED “SHIP LOCAL HOUSING ASSISTANCE PLAN (LHAP)” TO INCLUDE NON-SUBSTANTIAL CHANGES REQUESTED BY THE FLORIDA HOUSING FINANCE CORPORATION; AUTHORIZING AND DIRECTING THE MAYOR TO EXECUTE ANY NECESSARY DOCUMENTS AND CERTIFICATIONS NEEDED BY THE STATE; AUTHORIZING THE SUBMISSION ON THE LOCAL HOUSING ASSISTANCE PLAN FOR REVIEW AND APPROVAL BY THE FLORIDA HOUSING FINANCE CORPORATION; AND PROVIDING AN EFFECTIVE DATE.**

WHEREAS, the State of Florida enacted the William E. Sadowski Affordable Housing Act, Chapter 92-317 of Florida Sessions Laws, allocating a portion of documentary stamp taxes on deeds to local governments for the development and maintenance of affordable housing; and

WHEREAS, the State Housing Initiatives Partnership (SHIP) Act, ss. 420.907-420.9079, Florida Statutes, and Chapter 67-37, Florida Administrative Code, requires local governments to develop a one- to three-year Local Housing Assistance Plan outlining how funds will be used; and

WHEREAS, the SHIP Act requires local governments to establish the maximum SHIP funds allowable for each strategy; and

WHEREAS, the SHIP Act further requires local governments to establish an average area purchase price for new and existing housing benefiting from awards made pursuant to the Act and such methodology and purchase prices used are defined in the attached Local Housing Assistance Plan; and

WHEREAS, as required by *section 420.9075, Florida Statutes*, it is found that five (5) percent of the local housing distribution plus five (5) percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan. WHEREAS, the Community Development Department prepared a three-year "SHIP Local Housing Assistance Plan (LHAP)" approved by the City Commission on April 23, 2019 via Resolution No. 19-65 and submitted it to the Florida Housing Finance Corporation for review and approval; and

WHEREAS, this amendment addresses the comments, all being non-substantial, received from the Florida Housing Finance Corporation for the approval of the City's three-year Local Housing Assistance Plan; and

WHEREAS, the City Commission finds that it is in the best interest of the public for the City of Sunrise to submit the Local Housing Assistance Plan as amended for final approval so as to qualify for said documentary stamp tax funds.
