## THE FINEST: A GI JOE COSTUME CLUB

Founded in 2007, the Finest has expanded to include more than 350 members in approximately 40 U.S. states and nine countries. The club celebrates G.I. Joe through the creation and wearing of high-quality costumes and props based upon canon characters from the G.I. Joe universe. Each year, club members appear and exhibit at more than 100 pop-culture conventions, parades, and other events worldwide. Since 2007, the Finest has used our love for G.I. Joe to raise more than \$120,000, with all proceeds donated to military and veteran organizations such as K9s For Warriors and the USO!

The Finest maintains a very high standard of professional-quality costumes. Our members spend considerable time, effort, and finances on creating highly-detailed costumes as accurate as possible, and given the global exposure and partnerships with high-profile charity organizations, the club strives to maintain a high standard of costume excellence. [www.TheFinestCC.com](http://www.TheFinestCC.com)

## EVERGLADES SQUAD: 501ST STAR WARS LEGION EVERGLADES SQUAD

### Our Mission

"...The Legion is an all-volunteer organization formed for the express purpose of bringing together costume enthusiasts under a collective identity within which to operate. The Legion seeks to promote interest in Star Wars through the building and wearing of quality costumes, and to facilitate the use of these costumes for Star Wars-related events as well as contributions to the local community through costumed charity and volunteer work..."

### To Promote Interest in Star Wars

While a growing number of people are experiencing a reawakening of their Star Wars fandom, new generations are seeking ways to celebrate their passion for George Lucas's modern mythology. The 501st Legion brings these fans together, reinforcing the enduring longevity of the Star Wars saga.

### To Facilitate the Use of Costumes

Some fans are content to collect action figures...other fans want to be action figures. Nothing professes your passion quite like building your own detailed costume replica of a classic Star Wars villain, and there's nothing quite like the feeling that comes from bringing the characters of Star Wars into the real world and sharing the magic with others.

### To Contribute

While our organization was founded to simply provide a collective identity for costuming fans with similar interests, the 501st is proud to put its resources to good use through fundraising, charity work, and volunteering. Read more about our charity work at [www.501st.com/charity/index.php](http://www.501st.com/charity/index.php)
