I responded to the listed incident in reference to a disturbance involving the reporter wishing for a passenger to depart her vehicle.

Upon arrival and a check of the area, I observed a blue in color Honda in the northbound lane of 87th Avenue stopped at 28th place. Upon engaging my emergency lights, the passenger exited the vehicle and stood on the sidewalk. As I approached the vehicle, the individual began to run eastbound on 28th place.

I then met with the driver, Isisgema Doylet who advised Jose Matute was her boyfriend and that he was intoxicated and had just finished celebrating his birthday. Isisgema advised that she had a verbal argument with her boyfriend and just wanted him to leave the vehicle so she could return to her residence in Davie, Fl. As I questioned Isisgema about his mental state, she advised that he wanted to be shot by officers for her calling them. As I asked Isisgema to hang up with Sunrise dispatch, I continued watching and observed Jose starting to walk westbound on 28th place back towards the incident location.

While still speaking with Isisgema, Jose came back to the location of the vehicle, shouting that his hands were up, that he was unarmed, had been drinking, had an argument with his girl and was celebrating his birthday. It was apparent that Jose was clearly intoxicated and that he was only holding a cellular phone in his hands as he slurred statements at officers, his girlfriend and parents and initial attempts to return him to his residence were met with negative results.

As Jose approached this officer with his hands raised and continued to walk toward me, I drew my department issued taser and selected the lever for the laser display. As I pointed the taser in Jose's direction, I raised my other hand and commanded him to stop. Jose eventually turned towards the blue Honda and leaned against the vehicle close to the driver door. Jose can then be heard trying to speak with Isisgema through her closed window on the driver side of the vehicle as a request for additional units to respond was advised to Sunrise dispatch.

While waiting on additional officers, I advised the description of the intoxicated individual to Sunrise Dispatch.

Two other individuals, later identified as the parents of Jose, then came out of a residence located at 2839 NW 87th Ave, Sunrise, Fl. As they approached officers, Jose began to walk away southbound on 87th Ave on the eastern sidewalk heading towards NW 28th Street. I then reholstered my taser as I questioned the parents on Jose's mental stability.

Upon Police arrival to the scene, MATUTE exited the vehicle and began running around the neighborhood yelling for the Police to shoot him. Due to his behavior, MATUTE advised that the Police would have been justified hitting him in the head with a club rather than shooting him with a Taser.

A review of the Calls For Service Report for both cases revealed that the Notes section stated "NOT GOOD FOR SN SUBJ IS TALKING CRAZY PER CALLER SAYING IF SOMEONE DIES TONIGHT IT WILL BE HER FAULT".

A review of the call made from Doylet to BSO Communications revealed the following:

7:06 MATUTE - "...kill a cop..."
Doylet - "Are you crazy?"

9:00 Doylet - "He is talking crazy...it will be my fault if somebody dies tonight."

10:47 MATUTE - "...watch me get killed tonight by a cop..."
Doylet - "Why?"

10:55 MATUTE - "You're gonna watch me get killed by a cop tonight."

11:00 MATUTE - "Watch when I start swinging. They're gonna shoot me..."

11:08 Doylet (speaking to BSO Communications) - "You hear him?"

11:12 Doylet - "He's saying that if he gets killed it will be my fault."

11:43 Doylet - "...I would see him getting killed by a Police..."

MATUTE's statements were consistent with a subject wishing to die at the hands of Police and typically referred to as Suicide-By-Cop.
