

NEW City Hall Opening This Month!

The new Sunrise City Hall is set to open in July at the southeast corner of West Oakland Park Boulevard and Josh Lee Boulevard—adjacent to the former City Hall site. This modern, five-story, 95,000-square-foot building will unite most City departments under one roof, providing Sunrise residents and businesses with one-stop access to customer service for permitting, utility billing, code compliance, and more.

Once the new City Hall is fully occupied by staff—anticipated in late July—the old building will be demolished to make way for a 500-space parking garage, as well as an expanded amphitheater and great lawn for outdoor events. Stay tuned for information about a City Hall Grand Opening celebration in the fall!
