#### PERMANENT DISCONNECTION OF SERVICES

When premises are permanently vacated due to sale of property, completion of lease term, etc., there are charges to close the utility accounts of vacating utility customers. The service fee is \$15.00 per water meter for water accounts. Customer utility deposits will not be applied to outstanding account balances in order to discontinue services. Deposit refunds due to utility customers will generally be issued within four to six weeks of the closing of accounts. It is the customer's responsibility to provide a forwarding address.

## **DISCONNECTION OF SERVICE FOR NON-PAYMENT**

Utility bills are considered delinquent if not paid within 21 days of issuance, and services are subject to disconnection if payment is not received within 45 days of billing.
