Neighborhood Traffic Calming Program (NTCP)

Applications for Commission Consideration

April 25, 2023

Objectives

- Neighborhood Traffic Calming Program Overview
- Recently Completed Projects
- Applications Pending Commission Approval

Neighborhood Traffic Calming Program Overview

NTCP Review

APPENDIX "II" NEIGHBORHOOD TRAFFIC CALMINO PROGRAM APPLICATION Describe the traffic or safety issues. Include the time of day when the problem occurs, possible causes of the problem, and concerns relating to pedestrians, bicyclists, residents and property as a result of the problem. Attach an additional page, if necessary. If there is no active Association, the Application must include the signatures of at least ten (10) affected residents representing separate households. This requirement is intended to show that the issue is perceived replathorhood-wide and not solely an individual concern. Residents admonsted that by spring the petition they accept the possibility that traffic caming measures may be built in front of their home. Resident Name Address Signature Telephone

Application Phase

- Traffic Calming Request
- Data Collection and Analysis
- City Commission Review

<u>Design Phase</u>
