- 42-2309-043111

The officer followed policy and procedures. One comment made was the officer should have waited for backup.

Internal Affairs Investigation

- 23-04-01

Commended Officer Mathers for going above and beyond (calling the courthouse to make sure they were open). Another comment was that the Officer was “too chatty” and should just have been fact-based on his interaction with the female. Some thought that he was coaching the female on what to say for the restraining order against the ex-husband. All were in agreeance that no policies were violated.
