

SOLID WASTE AND RECYCLED MATERIALS APPROVED HAULER LIST (As of October 4, 2023)

Solid Waste

All Service Refuse Company, Inc. is the only approved hauler of solid waste in the City of Sunrise. No other company may solicit or accept solid waste collection or disposal business in Sunrise.

Construction & Demolition (C & D) Materials

The Sunrise City Commission on September 23, 2003, voted to eliminate the City's recyclable construction and demolition debris franchise program effective October 1, 2003. As of that date all construction and demolition debris is considered solid waste and subject to collection, transportation and disposal solely by the City's exclusive solid waste franchise hauler, All Service Refuse.

Commercial Recovered Materials Recycling

Commercial recovered materials recycling is available to businesses in Sunrise that produce a mix of solid waste and recyclable waste. These items must be separated and disposed of in separate containers (dumpsters). It is the responsibility of both the business owner and the hauler to ensure that solid waste materials are not included with recyclable materials. While the solid waste must be hauled exclusively by All Service Refuse Company, Inc., the business may contract with another registered hauler for removal of recovered materials.

The following companies are registered in Sunrise as haulers of recovered materials for the period [October 1, 2023 through September 30, 2024](#):

- Coastal Waste & Recycling of Broward County, LLC
- Eastern Waste Systems, LLC
- G & F Equipment Rental Inc.
- MST Scrap Metal Inc
- Panzarella Waste and Recycling Service, LLC
- Republic Services of Florida, Limited Partnership
- Waste Connections of Florida, Inc
- Waste Management Inc. of Florida
- Waste Pro of Florida, Inc.
