## A MESSAGE FROM THE MAYOR

As we begin a new year, we each reflect on 2023 and look forward to the possibilities of 2024. For us as a City, we reflect on our City's recent accomplishments, remain open to areas in which we can improve our services and customer service, and look forward to what is yet to come.

In 2023, we opened the doors to our new City Hall, which brings together most of our departments under one roof. Residents can now complete a variety of transactions—such as opening a utilities account, applying for a building permit, or interviewing for a City job—in one convenient location. In addition, Sunrise employees can better collaborate, which helps streamline the workflows that our customers rely on each day. Stay tuned to our website, [sunrisefl.gov](http://sunrisefl.gov), as well as our Instagram and Facebook accounts, for an announcement regarding a **Grand Opening Celebration at City Hall**. Whether you've already visited the new City Hall or you haven't yet been inside, you won't want to miss it!

While we're excited to see how the municipal campus will continue to transform in the coming months, we also recognize the challenges that always come with growing pains and remodeling, including impact on parking. Thankfully, our City staff are making plans to adjust our parking plans for events to try to ease the burden on everyone. Most importantly, a parking garage is being built on the site of the old City Hall, and our very successful amphitheater is being expanded to feature a great lawn. These enhancements will make it easier

to access City services and amenities and make our events and entertainment even more spectacular.

The City is partnering with residents on several important new initiatives, including the development of a **Public Art Master Plan** that will reflect our vibrant community. Visit [www.sunrisefl.gov/publicart](http://www.sunrisefl.gov/publicart) for updates. We hope you'll also participate in our comprehensive strategic planning process, **Imagine Sunrise 2041: Lighting Our Path Together**. See the box below for information!

As always, the City has an array of great programs planned. Check out this issue of Horizons for details about our weekend of arts and culture in celebration of **Martin Luther King, Jr.** (January 13-14, Civic Center), as well as **Woofstock** (February 3, Pawgrass at Welleby Park), **Sunrise Comic Con** (March 2, Civic Center), **Taste of Sunrise** (March 13, Civic Center), and so much more.

You can keep track of these important dates with a copy of our free **2024 calendar**, featuring chess-themed artwork from students in Sunrise schools. Pick one up at City Hall or the Sunrise Civic Center.

On behalf of my colleagues on the Sunrise City Commission and our entire City team, I wish you a New Year of peace, prosperity, health and happiness!

Michael J. Ryan, Mayor

### Imagine Sunrise 2041: Lighting Our Path Together

The City of Sunrise is embarking on a comprehensive Strategic Planning Process that will enable us to evaluate the City's current path, as well as our path forward. Residents and business owners will be invited to share input via surveys and community visioning sessions that will help shape the future of our great City.

Our **Strategic Planning Process** is called Imagine Sunrise 2041: Lighting Our Path Together. Perspective gathered during this process will form the basis of a new Strategic Plan document that will guide Sunrise's priorities as we head toward a significant milestone: our City's 80th anniversary in 2041. Please stay informed about participation opportunities by visiting [sunrisefl.gov/source](http://sunrisefl.gov/source) and signing up to receive our weekly Sunrise Source email newsletter.

# Keep Palm and Carry On

**T**rees do more than provide shade—they also protect the quality of our air and water, make our coastline more resilient against storm impacts, and provide food and shelter for species important to our ecosystem. The right tree in the right place can also help to increase home values.

**IF YOU ARE CONSIDERING A TREE FOR YOUR YARD**, it's hard to imagine a more "Florida" species than a palm! With our warm climate and abundant rainfall, we have the perfect environment for palms. However, while there are more than 2,000 palm species, only 12 types of palm trees are native to Florida. These include:

- Buccaneer Palm
- Everglades Palm
- Florida Silver Palm
- Key Thatch and Florida Thatch Palms
- Needle Palm
- Royal Palm
- Sabal Palm (aka Cabbage Palm)
- Saw Palmetto

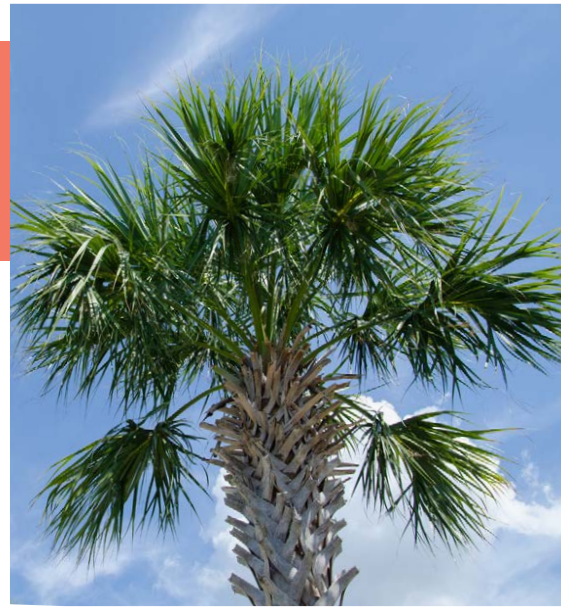

When enhancing your yard, it's important to select trees and plants that will thrive. By choosing native and Florida-friendly species that are well-suited to their location—factoring in your yard's light, soil, moisture level and other conditions—you'll have a healthier landscape that doesn't require much maintenance.

**PRO TIP:** If you plant palms in your yard, be careful not to over prune them. Harsh pruning removes not only dead fronds but lower, healthy green ones. Because the green leaves produce food for the palm via photosynthesis, removing them reduces the palm's source of nutrients and may stunt its growth. Undernourished palms are prone to develop weakened and unattractive bottleneck trunks, making them much more susceptible to wind damage.

Looking for additional resources? Save the date for the City's next plant giveaway, happening on Saturday, April 6, at Sawgrass Sanctuary (237 N New River Circle) as part of our annual Earth Day Festival. Until then, visit [sunrisefl.gov/green](http://sunrisefl.gov/green) and sign up for the Good and Green email newsletter, produced by the Sustainability team at Sunrise Utilities.

#### FIND OUT MORE!

For additional resources, visit Sunrise's Tree City USA webpage at [www.sunrisefl.gov/green](http://www.sunrisefl.gov/green).

The Sabal palm is the official state tree of Florida. It's a nectar plant for the Eastern Pygmy Blue and Southern Hairstreak butterflies, one of top three shelter species for migratory birds, and a roosting habitat for yellow bats.

**SAVE THE DATE!**

The next **Sunrise Plant Giveaway** is planned for Saturday, April 6th, at Sawgrass Sanctuary, 237 N New River Circle as part of the Sunrise Earth Day Festival.
