On 012/15/2023, at approximately 0134 hours, I was conducting routine patrol at 5998 W Oakland Park Blvd at the Mobile Gas Station which is located in the City of Sunrise, County of Broward, State of Florida when I observed a White BMW 320i (bearing FL Tag#PEHP99) driving with an unassigned tag as well as a front windshield tint exceeding the AS1 line.

Upon initiating the traffic stop in my Sunrise Police marked vehicle with Sunrise Insignia attached, I activated my LED overhead lights. Once I activated my overhead lights, the vehicle began to accelerate in reverse through the parking lot of the Mobile to avoid police contact. As officers attempted to position our vehicles in a manner to prevent the suspect from fleeing, the suspect was able to intentionally evade our vehicles and find an avenue of escape onto W Oakland Park Blvd eastbound. As the vehicle continued eastbound on W Oakland Park Blvd driving in an aggressive manner, I activated my patrol vehicle lights and sirens to notify the driver I was still actively initiating a traffic stop to which the vehicle began to accelerate even more and deliberately and willfully fail to stop and disobey any and all orders to comply with the traffic stop. As the vehicle continued to flee and elude my traffic stop and accelerate through traffic at a high rate of speed, the suspect made a U-turn at NW 56th Ave and W Oakland Park Blvd and continued westbound. At approximately 6300 W Oakland Park Blvd, I deactivated my emergency lights and the traffic stop but I was still able to observe the vehicle from a distance. From a distance, I observed the suspect vehicle lose control while attempting to maneuver in and out of multiple lanes at the 7100 block of W Oakland Park Blvd, which resulted in the vehicle striking and crashing into a civilian vehicle in the roadway. Once the suspect vehicle came to a halt, the driver, a black male with long dreadlocks, exited the vehicle and began to flee on foot across W Oakland Park Blvd. I quickly responded to the scene and ordered the driver to stop fleeing the scene. The driver disobeyed all verbal commands to stop. After a brief foot pursuit, the suspect was eventually detained and taken into custody.

The suspect was later identified as DEDRIC MACK (Defendant). A routine database check was generated for Mack which revealed he had an active warrant out of Miami Dade for Counterfeit License/Registration, No Valid Driver's license, and two warrants for two counts of Violation of Probation.

Mack was read his Miranda Rights via pretext card, which he waived, desiring to speak with me. [REDACTED]

Based upon the stated facts, Mack was placed under arrest for fleeing and eluding, active warrant, resisting W/O Violence, Unregistered vehicle, Unassigned Tag, Driving While License Suspended and Front windshield tint exceeding the AS1 line. Mack was subsequently transported to BSO Main Jail for booking.

The civilian vehicle, White Hinda Accord (FL Tag [REDACTED]), that was involved in the accident, the driver was later identified as (IO) Fabian Figueredo Fuentes. Fuentes was operating his vehicle at the time as an Uber driver and had a passenger (IO) Stephanie Williams, in his vehicle. Neither Williams nor Fuentes suffered from injuries that required immediate medical attention.

Upon initiating the traffic stop in my Sunrise Police marked vehicle with Sunrise Insignia attached, I activated my LED overhead lights. Once I activated my overhead lights, the vehicle began to accelerate in reverse through the parking lot of the Mobile to avoid police contact. As officers attempted to position our vehicles in a manner to prevent the suspect from fleeing, the suspect was able to intentionally evade our vehicles and find an avenue of escape onto W Oakland Park Blvd eastbound. As the vehicle continued eastbound on W Oakland Park Blvd driving in an aggressive manner, I activated my patrol vehicle lights and sirens to notify the driver I was still actively initiating a traffic stop to which the vehicle began to accelerate even more and deliberately and willfully fail to stop and disobey any and all orders to comply with the traffic stop. As the vehicle continued to flee and elude my traffic stop and accelerate through traffic at a high rate of speed, the suspect made a U-turn at NW 56th Ave and W Oakland Park Blvd and continued westbound. At approximately 6300 W Oakland Park Blvd, I deactivated my emergency lights and the traffic stop but I was still able to observe the vehicle from a distance. From a distance, I observed the suspect vehicle lose control while attempting to maneuver in and out of multiple lanes at the 7100 block of W Oakland Park Blvd, which resulted in the vehicle striking and crashing into a civilian vehicle in the roadway. Once the suspect vehicle came to a halt, the driver, a black male with long dreadlocks, exited the vehicle and began to flee on foot across W Oakland Park Blvd. I quickly responded to the scene and ordered the driver to stop fleeing the scene. The driver disobeyed all verbal commands to stop. After a brief foot pursuit, the suspect was eventually detained and taken into custody.

The suspect was later identified as DEDRIC MACK (Defendant). A routine database check was generated for the defendant which revealed he had an active warrant out of Miami
