

# e-Plan Review Now Available!

We're excited to launch our new online e-Plan Review service. It is now easier to submit plans and permit applications for Building, Engineering, and Planning & Zoning.

Our intuitive online interface enables residents, business owners, contractors, design professionals and other interested parties to submit the following electronically:

- Building Permit Applications
- Engineering Permit Applications
- Engineering Plans
- Zoning Permit Applications
- Development Applications & Plans

This new e-Plan Review system offers a range of benefits, including:

- Submit anytime
- Submit from anywhere
- Paperless submission
- Increased efficiency
- Electronic notifications

Want to learn more about the e-Plan Review submittal process? Register for a Virtual Demonstration!

Online sessions are available at 9:00 AM on:  
February 21st ♦ March 13th ♦ April 10th  
May 8th ♦ June 13th
