## A MESSAGE FROM THE MAYOR

As the vibrant signs of spring begin to appear throughout our community, we are filled with a sense of renewal and hope. We celebrate the beauty in Sunrise's natural surroundings.

Celebrating together is one of the most important things we can do as a community. January's Grand Opening Celebration of our new City Hall was a momentous occasion that marked a new chapter in our City's history. Your presence and support made this event truly special! We are grateful that we can welcome residents and businesses, as we remain focused on providing great customer service.

Looking ahead, we have exciting developments on the horizon for our municipal campus including the construction of a new 500-space parking garage and the expansion of our Sunrise Civic Center Amphitheater to host concerts and events. These projects will enhance Sunrise's infrastructure and provide more opportunities for community engagement. In the meantime, our Sunrise Civic Center continues to provide robust cultural arts programs with a packed schedule of shows at the Sunrise Civic Center Theatre as well as Art Gallery openings.

The new season also reminds us to joyfully anticipate more free events that we can enjoy as a united Sunrise, including the **Earth Day Festival** on April 6th, the **Tunes 'N Trucks** outdoor concert series on April 10th, May 12th, and June 14th, and our spectacular **July 4th Celebration**. These events are a great way to connect with neighbors, see our incredible parks, and revel in all that makes Sunrise special!

And, of course, how about our **Florida Panthers!**? We look forward to celebrating more victories (and maybe even the Stanley Cup) at Amerant Bank Arena! GO CATS!

I also want to express sincere thanks to all who have participated in our strategic planning campaign, **Imagine Sunrise 2041: Lighting Our Path Together**. Your feedback through surveys and public meetings is invaluable as we work together to shape the future of our City. Please stay tuned to [www.sunrisefl.gov/imagine](http://www.sunrisefl.gov/imagine) for more updates and events during this collaborative process.

While celebrating the beauty of Sunrise, we also take time through our **Stunning Sunrise Awards Program** to recognize the aesthetic enhancements added by our homeowners and businesses who have beautified their properties and inspired others to do the same. The improvements we've seen are truly stunning! Visit [www.sunrisefl.gov/stunning](http://www.sunrisefl.gov/stunning) to find out how to apply—or to nominate a neighbor.

As we embrace the joys of the spring season, I extend warm wishes to you and your families on behalf of the entire City Commission. Thank you for your continued support and dedication to making Sunrise the best City to live, work, play, shop and learn.

Michael J. Ryan, Mayor

# Help Save Our Everglades: Pass Up Plastics

**S**unrise shares its western border with one of the most of the most unique and environmentally significant ecosystems in the U.S.—the Florida Everglades! The Everglades provides resource-rich habitat for thousands of species of plants and animals, including those that are threatened or endangered, such as the egret, the Florida panther and the American alligator.

## Our connection to the Everglades runs deep. For example:

- It's the source of our drinking water, since it replenishes the underground Biscayne Aquifer;
- It helps protect our community from hurricanes and floods by absorbing surplus water generated by heavy rains; and
- It offers an array of recreational opportunities, including fishing, boating, biking and hiking.

Just as we need the Everglades, the Everglades relies on our stewardship to thrive. There are many ways you can help, from supporting big-picture initiatives like Everglades restoration to doing your part at home:

- **Create a Florida-friendly yard.** By selecting plants suited for our climate and your unique yard conditions, you can reduce the need for irrigation, pesticides and chemicals.
- **Minimize your indoor water use.** Save water and money by checking for leaks, trimming your shower time, and running the dishwasher only for full loads.

You can tackle Everglades pollution by taking the City of Sunrise **Pass Up Plastics Pledge**.

Did you know that more than 400 million tons of plastic waste is produced worldwide each year—and **single-use plastics** make up roughly 50% of that amount? Single-use plastics are convenience items such as straws, utensils, and beverage and takeout containers. They're designed to be tossed; however, they don't truly disappear. Instead, they can take hundreds of years to degrade into smaller and smaller pieces. These **microplastics** have been found in the most remote locations—including Everglades National Park!

When you pledge to **Pass Up Plastics**, you're joining our community-wide movement to reduce waste and protect wildlife, marine life and human health. Participating is as simple as refusing plastic straws, bringing reusable bags when you shop, and/or sipping from reusable beverage containers. Visit [sunrisefl.gov/green](http://sunrisefl.gov/green) for more tips—and to sign up!

# HURRICANE PREPAREDNESS

## IT'S TIME TO TRIM:

*Hurricane Season Starts on June 1st!*

Spring is in the air—and hurricane season is around the corner. Now is the time to put your preparedness plans in motion, especially when it comes to storm-proofing your yard.

Get started by walking around your property and identifying any trees or shrubs that need attention. If your trees are overgrown, or there are branches too close to your house, they could pose a threat in high winds. It's best to have trees trimmed by an arborist who's certified and insured. To find a local professional, visit this webpage maintained by the International Society of Arboriculture: [treesaregood.org/findanarborist](http://treesaregood.org/findanarborist).

The time to trim your trees is not the day before a hurricane or tropical storm. If you trim your trees after a storm warning is issued, the discarded branches in your yard create a neighborhood hazard. Debris that's left outside can cause serious damage to your home, or to your neighbors' homes, when the wind rises. It can also block roadways and slow the response of emergency personnel.

For the safety of collection crews—and due to the closure of disposal sites—bulk trash collection is suspended long before bad weather arrives. NOW is the best time to prepare your yard for hurricane season!

Storm drains, swales and retention basins are all part of our stormwater system; they work together to move water away from our streets during hurricanes and other rain events. You can help by keeping them clear. For example, don't dump grass clippings in storm drains, which are for water only.

Visit [www.sunrisefl.gov/hurricane](http://www.sunrisefl.gov/hurricane) for additional preparedness tips.

I hereby give permission for me or my child to receive necessary medical treatment.

I further agree on behalf of myself and my child listed below, that I shall hold harmless and fully indemnify and defend the Released Parties from any and all causes of action, claims, damages, costs including but not limited to attorney's fees and costs, which may arise from any cause of action made by me or by, through or on behalf of me or my child, even if the damages, injuries or death are caused in whole or in part by the negligence of the Released Parties.
