

HOUSEHOLD HAZARDOUS WASTE AND ELECTRONICS DISPOSAL

The City of Sunrise and the City of Plantation have partnered to provide residents with opportunities throughout the year to dispose of household hazardous waste (HHW) and electronics. These HHW drop-off events are free for residents of Sunrise and Plantation with proof of residency. Next up:

Saturday, April 13
9:00 am to 1:00 pm
City of Sunrise Public Works
10500 NW 55th Street

Visit www.sunrisefl.gov/hhw for a complete list of accepted items, including household chemicals, electronics items, and up to two file boxes of personal documents per household for on-site shredding. DO NOT bring explosives, biohazardous waste or business-generated waste.

Residents may also bring HHW items to the Wheelabrator facility in Davie on select Saturdays. For details, visit www.sunrisefl.gov/hhw or call (954) 577-1135.

According to United Nations environmental research, more than 400 million tons of plastic waste is produced worldwide each year—and **single-use plastics** make up roughly 50% of that amount.

Single-use plastics are convenience items such as **straws, utensils, and beverage and takeout containers**. When they're carelessly tossed on the ground, these items may be swept into our storm drains by wind or rain, and end up polluting our waterways.

Even when they're thrown in the trash, single-use plastic items are a long-term concern. That's because plastic never truly disappears; instead, it can take hundreds of years to degrade into smaller pieces.

- We know that plastic waste is a threat to wildlife, marine life and human health. Fortunately, we can make a difference by avoiding single-use plastics! Here's how:
- Refuse plastic straws, and/or bring your own reusable straw;
 - Bring and use reusable bags when shopping;
 - Request non-plastic take-out containers, and/or bring your own reusable containers;
 - Refuse plastic utensils when ordering take-out; and/or
 - Carry a reusable beverage container (e.g. reusable mug, reusable water bottle).

If you're ready to commit to two or more of those steps, you're ready to take the City of Sunrise **Pass Up Plastics Pledge**: Visit www.sunrisefl.gov/green and join our community-wide movement to reduce waste from single-use plastics. Whether you're a Sunrise resident or a business owner, there's a Pass Up Plastics Pledge for you. **Thank you for your partnership!**
