

# Storm Season is Here: Stay Informed, Sunrise!

In challenging times (and in good times), it's important to stay connected to reliable sources of information. We encourage you to use these communication tools to receive updates from the City of Sunrise:

The City uses the high speed **CodeRED** notification system to alert residents in the event of a boil water order, storm, or other emergency. The only way to be sure you're in our phone number database – especially if you've traded your land line for a cell phone – is to register. It's simple to do online, and takes only minutes. Visit [sunrisefl.gov/codered](http://sunrisefl.gov/codered) to sign up online, or text AlertSunrise to 99411.

The **Sunrise Source** is the City's weekly email newsletter. Each Source features information about upcoming events and activities – as well as important news. Visit [www.sunrisefl.gov/sunrisesource](http://www.sunrisefl.gov/sunrisesource) to opt in!
