CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a) This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

This Consolidated Annual Performance and Evaluation Report (CAPER) describes the activities undertaken during the 2021 federal fiscal year (October 1, 2021 - September 30, 2022) using funds granted to the City of Sunrise by the U.S. Department of Housing and Urban Development (HUD) to address priority needs identified in the City's FY 2020-2024 Consolidated Strategic Plan adopted by Resolution No. 21-58 on May 25, 2021 and the FY 2021 Annual Action Plan adopted by Resolution No. 21-58-21-A on July 13, 2021.

As a HUD entitlement grantee, the City of Sunrise receives an annual allocation of funds from the Community Development Block Grant Program (CDBG) and the HOME Investment Partnerships Program (HOME). The City's HOME funding is received through its participation in the Broward County HOME Consortium. In addition to the federally funded programs listed above, the City of Sunrise is a grantee of the State Housing Initiatives Partnership Program (SHIP). Consistent with state and federal regulations, the activities and accomplishments described in this report primarily benefit low- and moderate-income residents of the City of Sunrise, neighborhoods with high concentrations of low- and moderate-income households, and the City as a whole. Responses to questions asked in each section are based upon the original Five Year Consolidated Strategic Plan.

The City's Consolidated Strategic Plan for fiscal years 2020 – 2024 identified affordable housing preservation & development, improvements to public infrastructure/facilities, public services, economic development, and emergency preparedness as the highest priority needs amongst low- and moderate-income residents. As such, the FY 2021 Annual Action Plan applied the following strategies to target the social, economic and housing needs of these populations.

Priority Need: Affordable Housing Preservation & Development

Goal: 1A. Owner Occupied Housing Rehabilitation

- The City will work towards preserving and developing affordable housing through residential rehabilitation for LMI households. The City will focus its attention on these needs through the following strategies: providing rehabilitation assistance to qualified homeowners; stabilizing housing units that are vacant or in some stage of foreclosure through acquisition, rehabilitation and resale; increasing homeownership opportunities through the resale of rehabilitated units; and

enhancing property maintenance by undertaking code enforcement in lower income neighborhoods.

Goal: 1B. Code Enforcement

- The City will utilize Code Enforcement to support activities in LMI areas to stabilize neighborhoods, create a safe environment for residents, and preserve the City's affordable housing stock. This program includes all quality of life ordinance enforcement activities such as ensuring the maintenance of minimum housing codes; the demolition of unsafe, non-compliant structures, the clean-up of debris and weedy lots, and the removal of abandoned/junk vehicles.

Priority Need: Public Services

Goal: 3A. Public Services

- This goal will provide for supportive services for LMI citizens and special needs groups and may include services to address homelessness, persons with physical and mental health, seniors, and youth. Specific activities include the Senior Transportation program, aftercare programs for LMI, and emergency subsidy payments etc.

CDBG-CV

During FY 2021, staff was redirected towards COVID relief efforts. The City assisted a total of 48 households with its CDBG-CV funded COVID-19 Emergency Residential Assistance program.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g) Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Narrative

CDBG

For FY 2021, the City of Sunrise was awarded \$693,900 in CDBG funds. These funds were made available to the City by HUD in November of 2021. CDBG expenditures in FY 2021 totaled \$312,669.19. Please note, total expenditures include current year expenditures of prior year allocations.

In FY 2021, 3 income eligible households were encumbered to receive assistance through the CDBG funded Residential Rehabilitation program.

HOME

For FY 2021, the City of Sunrise was awarded \$178,158 in HOME funds. HOME expenditures in FY 2021 totaled \$198,400. Please note, total expenditures include current year expenditures of prior year allocations.

SHIP

For State fiscal year 2021-2022, a total of \$623,122 in SHIP funds were allocated to the City of Sunrise by the Florida Housing Finance Corporation. The City has received a partial disbursement of these funds. The remaining balance of these funds are anticipated to be received in the upcoming fiscal year.

In FY 2021, 20 income eligible households were encumbered to receive assistance through the SHIP funded Residential Rehabilitation program.

CDBG-CV

The City of Sunrise was awarded a total of \$1,006,681 in CDBG-CV1 and CDBG-CV3 funds. CDBG-CV expenditures in FY 2021 totaled \$289,183.35. Please note, total expenditures include current year expenditures of prior year allocations.

Narrative

In order to promote affordable housing and directly impact the greatest number of low- and moderate-income households the City's Residential Rehabilitation and Senior Transportation programs are administered city-wide.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

During FY 2021, the City leveraged CDBG and HOME funds with its annual allocation of SHIP funding to meet its highest priority needs, as indicated in the 2020 – 2024 Consolidated Strategic Plan as well as the associated FY 2021 Annual Action Plan. The City of Sunrise has exceeded its FY 2021 HOME Match requirement. As the lead agency of the Broward County HOME Consortium, compliance with this guideline will be reported through Broward County.

Leveraging is an essential tool used by the City of Sunrise to best meet the needs of its low- and moderate-income residents. Doing so ensures that all applicants are provided comprehensive support. To date, the City has been successful in leveraging CDBG and HOME funds with state-sponsored SHIP funding to increase the total dollars available to the applicant. As such, the City has made a significant impact in the community by achieving its goals and priorities as stated in the Consolidated Plan.

CR-20 - Affordable Housing 91.520(b)

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

CDBG

Due to the ongoing effects of the COVID-19 pandemic, the City of Sunrise redirected staff towards the development and implementation of emergency residential assistance programs in FY 2020 and FY 2021. As such, all phases of the City's housing assistance programs, including household qualification, inspections, traditional means of

procurement and control of workmanship remained halted in order to meet the ongoing needs of the community.

As a result, consistent with grant regulations, all eligible households awarded prior to the pandemic were required to have their eligibility recertified. In addition to income eligibility, several components of program delivery, including title confirmation, and property inspections were required to be redone. Concurrently, the Grants division made strategic changes to expedite the delivery of housing assistance to eligible households throughout the City. These efforts are reflected in the encumbrances that occurred in FY 2021.

Consistent with the City's Citizen Participation Plan, the City uses traditional methods of advertising and outreach to promote awareness of its housing and public service programs. In addition to standard notices of funding and program availability, the City continues to maintain a website with pertinent program information.

In FY 2021, 3 income eligible households were encumbered to receive assistance though the CDBG funded Residential Rehabilitation program.

CDBG-CV

City staff was redirected towards COVID relief efforts throughout the majority of FY2021 in order to meet the ongoing emergency housing needs of the community. The City assisted a total of 48 households with its CDBG-CV funded COVID-19 Emergency Residential Assistance program.

SHIP

In FY 2021, the City's SHIP funded housing assistance programs felt the same ongoing effects of the pandemic as the City's CDBG funded housing assistance programs. Please see the detailed CDBG explanation for further information on City efforts to address the resumption of all housing assistance programs.

In FY 2021, 20 income eligible households were encumbered to receive assistance though the SHIP funded Residential Rehabilitation program.

Discuss how these outcomes will impact future annual action plans.

The City will strive to ensure the timely expenditure of CDBG funding on eligible activities.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is

required to determine the eligibility of the activity.

Narrative Information

Residential Rehabilitation

CDBG: No households were assisted with CDBG funded Residential Rehabilitation in FY 2021. 3 Income eligible households were encumbered to receive assistance though the CDBG funded Residential Rehabilitation program.

HOME: HOME funds were reprogrammed to Purchase Assistance in order to meet the needs of the community. As such, no households were assisted with HOME funded Residential Rehabilitation in FY 2021. A total of 6 households received Purchase Assistance in FY 2021.

SHIP: No households were assisted with SHIP funded Residential Rehabilitation in FY 2021. 20 Income eligible households were encumbered to receive assistance though the SHIP funded Residential Rehabilitation program

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Sunrise does not receive any private or public resources targeted to prevent homelessness. The City will coordinate through the Continuum of Care (CoC) process to achieve the goals identified in Broward County's 10 Year Strategic Plan to End Homelessness.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City does not receive ESG funding.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City endorsed the County's 10 Year Strategic Plan to End Homelessness and continues to coordinate through the CoC process to achieve the goals identified. When contacts are made to the City, the City's Grants Division has the responsibility of coordinating the referral process for homelessness and chronic homelessness. Additionally, the Grants Division will work with private entities, non-profits, and public institutions to undertake strategies to prevent homelessness or ensure that persons who are homeless are correctly referred to essential resources. Organizations listed as CoC service providers will be the source for building on the institutional structure.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City's Grants Division has the responsibility of coordinating the referral process for homelessness and chronic homelessness. Additionally, the Grants Division will work with private entities, non-profits, and public institutions to undertake strategies to prevent homelessness or ensure that persons who are homeless are correctly referred to essential resources. The City endorsed the County's 10 Year Strategic Plan to End Homelessness and continues to coordinate through the CoC process to achieve the goals identified.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City does not have project-based public housing but does disseminate information regarding public housing options, such as Section 8, to clients who call and may need this type of assistance. This is primarily done through the City's Grants Division.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The City of Sunrise implements a Purchase Assistance Program Utilizing HOME funding provided by the U.S Department of Housing and Urban Development (HUD), received via participation in the Broward County HOME Consortium. This program provides a zero interest-deferred loan to income eligible first-time homebuyers. Additionally, all interested persons are encouraged to attend and participate in all program related public hearings.

Actions taken to provide assistance to troubled PHAs

No public housing authority has been established within the City of Sunrise. The City maintains an ongoing coordination with the Broward County Housing Authority.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City, through its Affordable Housing Advisory Board (comprised of 9 active members from various sectors of the community), convened on November 14, 2022 to complete its Annual Report of Affordable Housing Incentive Strategies for the City of Sunrise. The Board reviewed the City's policies and procedures, ordinances, land development regulations, and the comprehensive plan to evaluate and report on actions to remove barriers to affordable housing while protecting the ability of property to appreciate in value. The Board continues to meet on a quarterly basis.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City utilized HOME funded Purchase Assistance programs to foster new affordable housing units throughout the City.

The City also funds the Residential Rehabilitation program to address code violations, health and safety related repairs, as well as energy efficiency improvements. The program is designed to prevent deferred maintenance of the City's affordable housing stock and address accessibility related repairs for special needs households, including the elderly and the disabled. This program also serves to retrofit the City's existing affordable housing stock, by improving energy and water consumption, and decreasing housing costs associated with utility expenses.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

In accordance with federal regulations, all participating property owners with homes built prior to 1978, are notified of the hazards of lead-based paint and of the symptoms associated with lead-based contamination. Lead inspections are performed on all these participating households. A copy of the completed lead inspection report, along with the EPA pamphlet on how to protect the family from lead in the home is given to each household.

For residential properties receiving an average of up to and including \$5,000.00 per unit, the City shall:

Perform paint testing on the painted surfaces to be disturbed or replaced during the rehabilitation activities, or presume that all these painted surfaces are coated with lead-based paint. If testing indicated that the surfaces are not coated with lead-based paint, safe work practices and clearance shall not be required. In addition, the City will follow all additional requirements as listed in 24 CFR 35.930(b).

For residential properties receiving an average of more than \$5,000.00 and up to and including \$25,000.00 per unit, the City shall follow requirements of 24 CFR 35.930(c), which include but are not limited to risk assessments and interim controls.

For residential properties receiving an average of more than \$25,000.00 per unit, the City shall follow regulations as set forth in 24 CFR 35.930(d), which include abatement.

As applicable, the City will further coordinate with the Broward County Public Health Unit to implement educational programs on the hazards of lead-based paint and blood testing of children at-risk.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City's established housing activities focus on reducing housing cost burden for low-income households within the City. Where City resources are unable to assist, staff continues to refer residents to local public and private agencies that have available programs and resources to address citizen needs.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City is responsible for maintaining and improving the institutional structure necessary to carry out the City's Consolidated Plan.

As part of the planning process, a list of the area's non-profits and public institutions were identified as resources that may be available to assist with carrying out the strategies indicated in the City's 2020-2024 Consolidated Plan. For FY 2021 activities, appropriate entities have been utilized, as necessary, for various housing, community development strategies, and other priority needs identified. Additional organizations necessary to provide housing and community development services will become part of the City's service provider referral network.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City of Sunrise works closely with multiple local non-profit and public housing agencies.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

As part of the 2020-2024 Consolidated Planning process, in collaboration with the Broward County HOME Consortium member cities, the City revised its Analysis of Impediments to Fair Housing Choice.

In FY 2021, the City resumed its fair housing efforts with its annual Fair Housing Art Poster Contest with invitation to all Sunrise elementary schools.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Frequency of Monitoring

State and Federally funded housing and community development activities are internally monitored to ensure progress and timely expenditure of funding. A year-end reconciliation is also conducted for completed activities and budget balances.

Monitoring Results

The City will continue making changes as needed to increase program transparency and ensure applicant understanding of the state and federal guidelines which govern the City's Housing and Redevelopment programs.

Self-Evaluation

The Residential Rehabilitation Program has had an extremely positive effect on addressing cost burdened housing and homeownership affordability issues. As such, the City continues to focus on the preservation of its existing affordable housing stock. In addition to housing affordability, the Senior Transportation program continues to address the transportation costs and accessibility needs of City's elderly and disabled residents. As cost burden continues to be a primary issue in South Florida, the City anticipates that the demand for these programs will remain high. Staff will continue pursuing opportunities to expand outreach to special needs households to ensure that the most vulnerable populations are aware of the funding available through the City's programs.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Please see attached FY 2021 CAPER Public Notice and timeline in appendices.

No Citizen comments have been received to date. If applicable, citizen comments will be included as an additional attachment.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City will continue to address the priority needs outlined in the Consolidated Plan through the approved activities in the 2022 Program Year. No changes in program objectives were made or are anticipated.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

FY 2021 Consolidated Annual Performance
Evaluation Report (CAPER)
October 1, 2021 - September 30, 2022

The City of Sunrise has completed its end-of-year Consolidated Annual Performance Evaluation Report (CAPER) for fiscal year 2021 (October 1, 2021 - September 30, 2022), as required by the U.S. Department of Housing and Urban Development (HUD) under 24 CFR Part 91. The CAPER assesses the City's performance for fiscal year 2021 relative to the expenditure of funds provided by the U.S. Department of Housing and Urban Development (HUD), as well as other public and private funding sources. Per federal regulations, the FY 2021 CAPER must be submitted to HUD within 90 days of the close of the previous fiscal year. Prior to submission, the FY 2021 CAPER shall be made available to the public for review and comment as detailed below.

The FY 2021 CAPER will be available for public review and comment as of Friday, December 2, 2022 through Friday, December 16, 2022, between the hours of 9:00 AM and 5:00 PM, Monday through Friday, at the following locations:

Finance and Administrative Services Department - Grants Division
1601 NW 136th Avenue, Building "A"
Sunrise, Florida 33323

Interested persons with comments or questions regarding this report are encouraged to contact the Division of the Finance and Administrative Services Department prior to 5:00 PM on Friday, December 16, 2022 via phone at 954-572-2315, via email at housing@sunrisefl.gov, or by mail to 1601 NW 136th Avenue, Building "A", Sunrise, FL 33323

In addition, prior to submission of the FY 2021 CAPER to U.S. Department of Housing and Urban Development, the City Commission will hold a Public Hearing at 5:00 PM on Tuesday, December 13, 2022 to receive oral comments. This Public Hearing will be held in the City Commission Chambers located at City Hall, 10770 West Oakland Park Boulevard, Sunrise, Florida, 33351.

The City Commission will be meeting in-person; however, the public may attend and participate in the meeting in-person or via telephone by using Vast Conference Calling as early as fifteen (15) minutes before the start time utilizing the details below:

a. Dial in number: (954) 395-2401
b. Access Code: 368262

Attendees can press 5* on their phone keypad to make a comment during the public hearings or during the open discussion. Attendees will be called upon to speak, one at a time, by the meeting organizer. For technical difficulties, please call (954) 747-4661. In addition, the public may view the live streaming video of the meeting at www.sunrisefl.gov under "Commission Agendas" by clicking on the video link for the meeting. Google Chrome, Safari, and Firefox are fully compatible with the City's live streaming option. However, use of Internet Explorer to live stream meetings requires installation of Adobe FlashPlayer.

All interested parties are encouraged to attend and participate. The Finance and Administrative Services Department will review and respond to all written comments received on or before Friday, December 16, 2022. The City of Sunrise will advise the U.S. Department of Housing and Urban Development (HUD) directly as to the substance of all comments and responses. Following Friday, December 16, 2022, all public comments shall be provided to HUD for response and inclusion in the City's FY 2021 Consolidated Annual Performance and Evaluation Report (CAPER).

The City does not tolerate discrimination in any of its programs, services or activities; and will not exclude participation in, deny the benefits of, or subject to discrimination anyone on the grounds of real or perceived race, color, national origin, sex, gender identity, sexual orientation, age, disability/handicap, religion, family or income status.

If a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based. See section 286.0105, Florida Statutes.

In compliance with the ADA and F.S.S. 286.26, any individual with a disability requesting a reasonable accommodation in order to participate in a public meeting should contact the City's ADA Coordinator at least 48 hours in advance of the scheduled meeting.
