Good of the Order

Lorelei Boyden suggested implementing a new Senior Center program where isolated seniors can meet with a volunteer at a park bench to chat. They have this program in Salem, MA. And it is called "Happy to Chat". Ms. Boyden had previously spoken to Kevin Pickard about it and wanted to share it with the other board members.

Todd Shipley added that he heard about a program where volunteers would come to the Senior Center and seek out a certain senior to talk about their life, as you would check out a book in the library.

Maria Little responded that both ideas would be brought back to staff to see if they would be a good fit for seniors here in Sunrise.

Todd Shipley shared that he would love to see a bike lane that goes from Sunrise to the beach.

Adjournment

A motion to adjourn the meeting was made by Satnarine Ricketts-Weller and seconded by Lorelei Boyden. Motion carried without board opposition.
