Mr. Matt Goldstein, Planning and Zoning Manager, summarized the Staff Report with the entire report entered into the record. Mr. Goldstein indicated the proposal is to open a 2,100 square foot liquor store adjacent to a proposed grocery store.

Ms. Sara Thompson, Attorney with Miskel Backman LLP, was present and gave a brief presentation to the Board with more information about the application.

Ms. Cassella asked for the grocery store's name. Ms. Thompson stated that they cannot disclose the name of the grocery store at this time.

Ms. Clarke requested clarification on the extent of the façade remodel. Ms. Thompson stated that the entire shopping center will be receiving a façade update, but the only structural change will be to the grocery store bay adjacent to the proposed liquor store.

Ms. Clarke stated that there are a few other grocery stores nearby. Ms. Thompson stated that the other stores fill their own roles and this proposal is for a national grocery chain that fills the need of being solely a grocery store.

Ms. Levin asked if this chain is considered affordable. Ms. Thompson stated that she would say so.

Ms. Levin asked how long it will take to build. Ms. Thompson stated she believes the project can be completed in about 12-18 months.

Ms. Levin asked how this would impact the parking. Ms. Thompson stated she does not believe it will impact any other tenants of the plaza as this bay is somewhat isolated from the rest of the plaza.

Ms. Albert asked for clarification about the need for the special exception. Ms. Thompson stated that the liquor store requires a Special Exception Use permit and this liquor store is associated with the grocery store.

Ms. Levin asked if access to the liquor store will be available from inside the grocery store. Ms. Thompson said no.

Ms. Garcia stated that there are no other liquor stores nearby so she believes this is a good addition to the community.

H. Board Forum

Mr. Koeth and the Board welcomed Ms. Rosa Garcia.

Ms. Clarke asked for more clarification about the façade of the Sunrise Town Center and the proposed modifications. Mr. Koeth clarified that renderings of the façade were provided by the applicant for context, but that is not what is being voted on by the Board. The applicant is planning to demolish a portion of the existing shopping center and rebuild it for a proposed grocery store. In doing so, they will also make some updates to the remainder of the plaza.

Ms. Cassella asked if they will be removing the end cap of the plaza. Mr. Koeth stated that everything currently in the plaza will remain.

I. Adjournment

Ms. Albert motioned to adjourn the meeting. Seconded by Ms. Clarke. All were in favor. The meeting adjourned at 6:45 p.m.
